

LEARNING OBJECTIVES

DEFINITION

Learning objectives are explicit statements that describe what learners are expected to achieve or accomplish by the end of a course or instructional period. They provide a clear focus and guide instructional design, helping to drive teaching and learning strategies.

EXAMPLE

When writing learning objectives, ensure they are clear, specific, and measurable, describing what learners should be able to do or achieve by the end of the instruction. Use action verbs to indicate the desired behaviors or outcomes, such as "describe", "create", "analyze", and "evaluate."
