Quincy Troupe, 2022-07-26 The selected poems from over fifty years by the great poet and biographer and friend of Miles Davis Quincy Troupe writes poetry in great waves The words are just notes It s the music you make with them that matters He s not a wordsmith he s a shaman conjuring long repetitive lines cadences of looking across the sea towards Africa and haunted by the legacy of slavery and racism or of remembering fellow conjurers poets and musical artists celebrating always celebrating but never only that In the fifty page incantatory poem Ghost Voices there is a longing to be reconnected to the past and a longing too to be free of it In the short title poem Duende For Garc a Lorca and Miles Davis there lies nakedly Troupe s credo secrets mystery infused in black magic that enters bodies in forms of music art poetry imbuing language with sovereignty in blood spooling back through violent centuries The version of the great poem Avalanche number 3 that appears here is different from the version of the same poem he published nearly 25 years ago in exactly the same way that a jazz artist picks up his horn to play the same song a little differently every time Troupe is a generous and gregarious poet in this giant offering that includes many new poems as well as a selection chosen from across his eleven previously published volumes What s remarkable is the constancy the energy and how he s always looking right at you in the here and now and at the same time sees something over your shoulder that others don t see yet maybe a distant storm gathering over the waters something we re going to need to rise up and face soon enough
