The McNamara ascendancy, 1961-1965, A narrative history and assessment of the early years of Robert McNamara's tenure as Secretary of Defense including McNamara's relationship with Presidents Kennedy and Johnson the transformation of the Department of Defense as a part of Kennedy's New Frontier and the Pentagon's handling of the Cuban Missile Crisis Bay of Pigs episode and onset of the Vietnam War along with other major national security events and developments during a turbulent and momentous period of the Cold War Fuller description is on the dust jacket flaps *Big Government and Affirmative Action: The Scandalous History of the Small Business Administration* Jonathan Bean, 2001 David Stockman Ronald Reagan's budget director proclaimed the Small Business Administration a billion dollar waste a rathole and set out to abolish the agency His scathing critique was but the latest attack on an agency better known as the Small Scandal Administration Loans to criminals government contracts for minority fronts the classification of American Motors as a small business Whitewater and other scandals the Small Business Administration has lurched from one embarrassment to another Despite the scandals and the policy failures the SBA thrives and small bus *The Teacher's Encyclopaedia of the Theory, Method, Practice, History and Development of Education at Home and Abroad* Arthur Pillans Laurie, 1912 **LBJ** Randall Woods, 2007-11-01 For almost forty years the verdict on Lyndon Johnson's presidency has been reduced to a handful of harsh words tragedy betrayal lost opportunity Initially historians focused on the Vietnam War and how that conflict derailed liberalism tarnished the nation's reputation wasted lives and eventually even led to Watergate More recently Johnson has been excoriated in more personal terms as a player of political hardball as the product of machine style corruption as an opportunist as a cruel husband and boss In LBJ Randall B Woods a distinguished historian of twentieth century America and a son of Texas offers a wholesale reappraisal and sweeping authoritative account of the LBJ who has been lost under this baleful gaze Woods understands the political landscape of the American South and the differences between personal failings and political principles Thanks to the release of thousands of hours of LBJ's White House tapes along with the declassification of tens of thousands of documents and interviews with key aides Woods's LBJ brings crucial new evidence to bear on many key aspects of the man and the politician As private conversations reveal Johnson intentionally exaggerated his stereotype in many interviews for reasons of both tactics and contempt It is time to set the record straight Woods's Johnson is a flawed but deeply sympathetic character He was born into a family with a liberal Texas tradition of public service and a strong belief in the public good He worked tirelessly but not just for the sake of ambition His approach to reform at home and to fighting fascism and communism abroad was motivated by the same ideals and based on a liberal Christian tradition that is often forgotten today Vietnam turned into a tragedy but it was part and parcel of Johnson's commitment to civil rights and

antipoverty reforms LBJ offers a fascinating new history of the political upheavals of the 1960s and a new way to understand the last great burst of liberalism in America Johnson was a magnetic character and his life was filled with fascinating stories and scenes Through insights gained from interviews with his longtime secretary his Secret Service detail and his closest aides and confidants Woods brings Johnson before us in vivid and unforgettable color *Sessional Papers* Canada.
