Human Geography Journal:

International Encyclopedia of Human Geography ,2009-07-16 The International Encyclopedia of Human Geography provides an authoritative and comprehensive source of information on the discipline of human geography and its constituent and related subject areas The encyclopedia includes over 1 000 detailed entries on philosophy and theory key concepts methods and practices biographies of notable geographers and geographical thought and praxis in different parts of the world This groundbreaking project covers every field of human geography and the discipline s relationships to other disciplines and is global in scope involving an international set of contributors Given its broad inclusive scope and unique online accessibility it is anticipated that the International Encyclopedia of Human Geography will become the major reference work for the discipline over the coming decades The Encyclopedia will be available in both limited edition print and online via ScienceDirect featuring extensive browsing searching and internal cross referencing between articles in the work plus dynamic linking to journal articles and abstract databases making navigation flexible and easy For more information pricing options and availability visit http://info.sciencedirect.com/content/books/ref_works/coming Available online on ScienceDirect and in limited edition print format Broad interdisciplinary coverage across human geography Philosophy Methods People Social Cultural Political Economic Development Health Cartography Urban Historical Regional Comprehensive and unique the first of its kind in human geography *A Dictionary of Human Geography* Noel Castree,Rob Kitchin,Alisdair Rogers,2013-04-25 This new dictionary provides over 2 000 clear and concise entries on human geography covering basic terms and concepts as well as biographies organisations and major periods and schools Authoritative and accessible this is a must have for every student of human geography as well as for professionals and interested members of the public **Exploring Human Geography** Stephen Daniels,Roger Lee,2014-05-01 A lively and stimulating resource for all first year students of human geography this introductory Reader comprises key published writings from the main fields of human geography Because the subject is both broad and necessarily only loosely defined a principal aim of this book is to present a view of the subject which is theoretically informed and yet recognises that any view is partial contingent and subject to change The extracts selected are accessible and raise issues of method and theory as well as fact The editors have chosen articles that not only represent main currents in the present flow of academic geography but which are also responsive to developments outside of the discipline Their selection contains a mixture of established and recent writings and each section features a contextualizing introduction and detailed suggestions for further reading **Recent Geographical Literature, Maps and Photographs** Royal Geographical Society (Great Britain),1919 Canadian Geography Thomas A. Rumney,2009-12-10 Canadian Geography A Scholarly Bibliography is a compendium of published works on geographical studies of Canada and its various provinces It includes works on geographical studies of Canada as a whole on multiple provinces and on individual provinces Works covered include books monographs atlases book chapters scholarly articles

dissertations and theses The contents are organized first by region into main chapters and then each chapter is divided into sections General Studies Cultural and Social Geography Economic Geography Historical Geography Physical Geography Political Geography and Urban Geography Each section is further sub divided into specific topics within each main subject All known publications on the geographical studies of Canada in English French and other languages covering all types of geography are included in this bibliography It is an essential resource for all researchers students teachers and government officials needing information and references on the varied aspects of the environments and human geographies of Canada

The SAGE Handbook of Modern Japanese Studies James D Babb,2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University

The Social Science Encyclopedia Adam Kuper,2003-12-16 The Social Science Encyclopedia first published in 1985 to acclaim from social scientists librarians and students was thoroughly revised in 1996 when reviewers began to describe it as a classic This third edition has been radically recast Over half the entries are new or have been entirely rewritten and most of the balance have been substantially revised Written by an international team of contributors the Encyclopedia offers a global perspective on the key issues within the social sciences Some 500 entries cover a variety of enduring and newly vital areas of study and research methods Experts review theoretical debates from neo evolutionism and rational choice theory to poststructuralism and address the great questions that cut across the social sciences What is the influence of genes on behaviour What is the nature of consciousness and cognition What are the causes of poverty and wealth What are the roots of conflict wars revolutions and genocidal violence This authoritative reference work is aimed at anyone with a serious interest in contemporary academic thinking about the individual in society

Academic Writing for Geographers James A. Tyner,2023-08-21 There are many how to books on writing for academics none of these however relate specifically to the discipline of geography In this book the author identifies the principle modes of academic writing that graduate students and early career faculty will encounter specifically focusing on those forms expected of geographers that is those modes that are reviewed by academic peers This book is readily accessible to senior undergraduate and graduate students and early career faculty who may feel intimidated by the process of writing This volume is not strictly a how to or

step by step manual for writing an article or book rather through the use of real concrete examples from published and unpublished works the author de mystifies the process of different types of scholarly pieces geographers have to write with the specific needs and challenges of the discipline in mind Although chapters are thematic based e g stand alone chapters on book reviews articles and books the manuscript is structured around the concept of story telling for it is the author s contention that all writing whether a scientific study or more humanist essay is a form of story telling **Teaching Human Geography** Gary S. Elbow,2004-01-01 **Annales** Stuart Clark,1999 This collection reprints key articles written within the past 30 years on the Annales school their journal their influence on history historiography and other academic fields

Recent Geographical Literature, Maps, and Photographs Added to the Society's Collection ,1923 **The Indian Geographical Journal** ,1926 **Teaching Visual Methods in the Social Sciences** Sal Watt,Caroline

Wakefield,2017-05-08 Teaching Visual Methods in the Social Sciences presents a practical and theoretical framework for those wanting to introduce visual methods into their curricula Drawing on the expertise of contributors from across the social sciences the book provides a comprehensive introduction to visual methodology learning and teaching theory and the ethical considerations involved Divided into three parts the book begins with an overview of how visual methods have been used in academic research and how this can be applied to teaching and pedagogy It then goes on to introduce different methods including photography film and drawing describing how they can be used in various locations Finally the book pulls everything together advocating the wider use of teaching visual methods in further and higher education curricula across the social science subjects The book features a plethora of examples as well as practical resources for FE and HE teachers making it an essential companion for anyone interested in utilising visual methods in their teaching [The Walkable City](#) Jennie Middleton,2021-08-18 This book explores everyday walking in contemporary urban life It brings together important theoretical and empirical insights to understand how the walkability of urban spaces can be imagined planned for and

experienced The book focuses on the everyday experiences of the urban walker the bodily experiences of walking and different walking research methods It goes beyond the conventional focus on walkable places by delving into the ways in which urban space is consumed and produced through different ways of walking Drawing on fieldwork in the UK and international secondary sources the book examines how walking is socially and materially co produced focusing on pedestrian practices infrastructures and the social nature of walking Chapters in the book offer key explorations of the cultural and social inclusions and exclusions of navigating the city on foot The book considers transport planning and policy promoting pedestrian movement pedestrian infrastructures the politics of walking and social interactions of urban pedestrians The book offers vital analyses of how different but overlapping dimensions of walking and their relationship with urban space are often overlooked and the importance of centring the lived experiences of walking in understandings of pedestrian practices This book provides a timely contribution to the field of mobilities due to a growing interest in urban walking It will be of interest to students and scholars of urban studies human geography sociology and public health

Geographers Hayden Lorimer, Charles W. J. Withers, 2015-10-29 Volume 34 of Geographers Biobibliographical Studies features eight essays that together demonstrate geographers diverse scholarly engagement with the practise of their subject There are two physical geographers a Frenchman and an Englishman both geomorphologists a British historical geographer a French colonial geographer a Russian explorer naturalist of Central Asia and Tibet a British born but long time Australian resident and scholar of India Pakistan and the Pacific world an American regionalist and eugenicist and a Scots born long time American resident one of the world s leading Marxist geographers and urban theorists Equally but differently committed to geography s many specialisms these subjects wonderfully illuminate the vibrancy and the contradictions behind the living of geographical lives

Masculinities and Place Andrew Gorman-Murray, Peter Hopkins, 2016-05-06 Masculinities and Place bring together an impressive range of high profile and emerging researchers to consolidate and expand new domains of interest in the geographies of men and masculinities It is structured around key and emerging themes within recently completed and on going research about the intersections between men masculinities and place Building upon broader themes in social and cultural geographies cultural economy and urban rural studies the collection is organised around the key themes of theorising masculinities and place intersectionality home family domestic labour work and health and well being
