**Gender-Based Violence in Sub-Saharan Africa** Alex Asakitikpi, Patrick Bashizi Bashige Murhula, 2024-10-15 Gender Based Violence in Sub Saharan Africa Prevalence Patterns and Policies examines the multifaceted issue of gender based violence GBV in Sub Saharan Africa offering an in depth exploration of its prevalence underlying patterns and the policies and frameworks that aim at addressing it The book provides a regional overview on the prevalence of GBV drawing on a wealth of statistical data and case studies and examines the diverse forms of gender based violence on the African sub region including domestic violence sexual harassment trafficking and harmful traditional practices highlighting the complex social cultural and economic factors that create and

sustain these abuses In analyzing GBV patterns contributing authors investigate the dynamics of power and control that underpin gender based violence exploring how the intersection of identities such as class migration and sexuality influence individuals experiences The policy component evaluates international national and local responses to GBV and reviews existing legal frameworks protection mechanisms and support services identifying both best practices and significant gaps It also considers the effectiveness of public awareness campaigns education programs and community based interventions in shifting societal attitudes and reducing the incidence of GBV This book provides essential insights for policymakers researchers students and activists committed to combating GBV and supporting survivors

*Gender-Based Violence and Femicide in South Africa* Tameshnie Deane,2024-06-27 This book presents new perspectives on gender based violence GBV in South Africa It argues that violence against women is a manifestation of unequal gender relations and harmful manifestations of hegemonic masculinity which are governed by patriarchal beliefs institutions and systems It includes chapters on quantitative research that assess not only the levels and determinants of violence against women but also men s attitudes towards gender based violence perceptions of violence the legislative frameworks governing violence against women in South Africa and the current cases and jurisprudence relating to this scourge In spite of its focus on South Africa the book also provides insights for comparative scholars exploring the value of different constitutional articulations of human rights and how they support or fail to support efforts to combat violence against women By assessing recent incidents and responses to gender based violence the book provides a view of not only the societal but also jurisprudential opportunities and pitfalls in this area that may be applicable elsewhere Gender equality and central to this the right of women to live lives free of violence is a precondition for full democratic participation and is a universal goal Accordingly the South African experience contributes to a wider understanding of the possibilities and limitations of societal and legal reform in challenging the ubiquity of violence against women The book is aimed at researchers practitioners students professionals and advocates in the field of gender based violence

**Sustainable Human Resource Management** Ina Ehnert,2009-07-07 Predictions are that sustainability becomes the next big topic for Human Resource Management after internationalization and globalization This book gives new answers to these questions How can HRM contribute to attracting developing and retaining highly qualified human resources over time How can a paradox perspective contribute to understanding and coping with paradoxical tensions How can sustainability be used as a deliberate strategy for HRM The conceptual part of the book looks at the notion of sustainability opens it up for Strategic HRM and identifies blind spots in Strategic HRM theory Paradox theory is introduced as an analytical framework for Sustainable HRM Initial suggestions are made for sustainability strategies and for coping with paradoxes and tensions The exploratory part examines how 50 European Multinationals communicate their understanding of sustainability and HRM and which HR issues and practices they are linking to the topic

*GENDER ISSUES* AMITA SAXENA,2019-08-21 Gender inequality and discrimination not only in India all over world is a

multifaceted issue that has been related to both men and women. Some people think gender equality indices place men at a disadvantage when India's population is surveyed; women are found to be at disadvantage in several ways. These trends are disturbing as a natural prediction would be that with growth comes education and prosperity. The dowry system involving a cash or in-kind payment from the bride's family to the grooms at the time of marriage is another institution that disempowers women. It reinforces the inferior status of Indian women and puts them at risk of violence in their marital households. The normalization of intra-household violence is a huge detriment to the welfare of women. Crimes against women have doubled. Gender inequality extends across various facets of society. Political participation is a key factor to rectify this situation. Gender bias extends to electoral politics and their representative also. The book deals with Population Stabilizing Measure, Juvenile Delinquency, Gender-Based Violence, Women Fish Retailers, Gender Inequality, Geriatric Issues in Women and their Management in India, Women's Attitude And The Environment, The Journey of Indian Women across ages, Gender Discrimination in the Workplace, Violence Against Women, dowry system, Women's Role in Developing Technology, Increasing Productivity, Improving Lives, Gender Budgeting, Trafficking of women for Sexual Exploitation and Women In Politics.

**Religion and Gender-Based Violence** Brenda Bartelink, Chia Longman, Tamsin Bradley, 2022-09-15. This book takes religion as an entry point for a deeper exploration into why practices of gender-based violence continue and what possible actions might help to contribute to their eradication. International donors are committed to reducing and ending gender-related harm, particularly violence against women, but clear answers as to why harmful practices persist are often slow to emerge. Theological research struggles to find strong links, yet religion is often referred to by local people as the reason for practices such as female cutting, male circumcision early and forced marriage, nutritional taboos and birth practices, mandatory un veiling, harmful spiritual practices, polygamy, gender unequal marital and inheritance rights and so-called honour crimes. This book presents empirical cases of religious, non-religious and secular actors including local and international governmental and non-governmental agencies in the fields of development, health and equality policies. Tracing their different understandings of how religion is entangled with gender-based violence, both contextually as well as historically, the book sheds light on helpful and unhelpful as well as erroneous and harmful understandings of such practices in local and global perspectives. Centralising the perspectives of women themselves, this book will be an important read for development practitioners and policy makers as well as for researchers across religious studies, gender studies and global development.

**Gender-Based Violence and Layered Disasters** Nahid Rezwana, Rachel Pain, 2022-12-30. This book investigates the widespread and persistent relationship between disasters and gender-based violence, drawing on new research with victim survivors to show how the two forms of harm constitute layered disasters in particular places, intensifying and reproducing one another. The evidence is now overwhelming that disasters and gender-based violence are closely connected, not just in moments of crisis but in the years that follow as the social, economic and environmental impacts

of disasters play out This book addresses two key gaps in research First it examines what causes the relationship between disasters and gender based violence to be so widespread and so enduring Second it highlights victim survivors own accounts of gender based violence and disasters It does so by presenting findings from original research on cyclones and flooding in Bangladesh and the UK and a review of global evidence on the Covid 19 pandemic Drawing on feminist theories it conceptualises the coincidence of gender based violence disasters and other aggravating factors in particular places as layered disasters Taking an intersectional approach that emphasises the connections between culture place patriarchy racism poverty settler colonialism environmental degradation and climate change the authors show the significance of gender based violence in creating vulnerability to future disasters Forefronting victim survivors experiences and understandings the book explores the important role of trauma and how those affected go about the process of survival and recovery Understanding disasters as layered casts light on why tackling gender based violence must be a key priority in disaster planning management and recovery The book concludes by exploring critiques of existing formal responses which often ignore or underplay gender based violence The book will be of interest to all those interested in understanding the causes and impacts of disasters as well as scholars and researchers of gender and gender based violence Gender-based Violence Geraldine Terry,Joanna Hoare,2007 This book brings together some of the most interesting and innovative work being done to tackle gender based violence in various sectors world regions and socio political contexts It will be useful to development and humanitarian practitioners policy makers and academics including gender specialists *Encyclopedia of Human Resource Management* Stewart Johnstone,Jenny K. Rodriguez,Adrian Wilkinson,2023-02-14 Thoroughly revised and updated to include contemporary terms that have gained importance such as furlough unconscious bias platform work and Great Resignation this second edition of the Encyclopedia of Human Resource Management is an authoritative and comprehensive reference resource comprising almost 400 entries on core HR areas and concepts *Decolonising African University Knowledges, Volume 2* Amasa P. Ndofirepi,Felix Maringe,Simon Vurayai,Gloria Erima,2022-10-14 This book explores the influence of neoliberal globalisation on African higher education considering the impact of the politics of neoliberal ideology on the nature and sources of knowledge in African universities Written by African scholars the book engages with debates around the commodification of knowledge socially just knowledge knowledge transformation collaboration and partnerships and indigenous knowledge systems It challenges the neoliberal approach to knowledge production and dissemination in African universities and contributes to debates around decolonising knowledge production in Africa The chapters draw on experiences from universities in different sub Saharan countries to show how the manifestation of neo colonialism through the pursuit of the hegemonic neoliberal philosophy is impacting on decolonising university knowledge in Africa Providing a unique critique of the impact of neoliberal higher education in Africa the book will be essential reading for researchers scholars and postgraduate students in the field of Sociology of Education decolonising

education Inclusive Education and Education Policy      *Promoting an Integrated Approach to Combat Gender-based Violence* Margaret Oguli-Oumo, 2002 This practical manual addresses the problems inherent in current strategies especially lack of collaboration between different agencies and individuals working in the area of gender based violence The book encourages development and implementation of policies programmes and plans      **Women, Organizations and Vulnerability** Hugo

Gaggiotti, Isis Arlene Díaz-Carrión, 2025-03-04 Why are women despite being resilient adaptable and persistent often constructed and perceived as weak and vulnerable Women s vulnerability is not a neutral concept but is organizationally defined and understood Organizations are discursive spaces where women s vulnerability is constructed and reproduced as a communicative act and event We often represent vulnerability at individual or organizational levels but not both Women s vulnerability reminds us of the pervasive interconnectedness of personal and organizational life events Experiencing women s organizational vulnerability is common However is women s vulnerability publicly represented defined felt and acted upon in the same way everywhere This book is focused on comparing women s organizational vulnerability practices making a significant contribution to reflection theory methods and cross disciplinary expertise The process of making sense of vulnerability is extremely diverse and intersectionally constructed through gender culture and organizational discourses which demands complex innovative and non Eurocentric methodological paradigms and approaches This book satisfies these demands by integrating contributions from a diverse range of disciplines academic traditions and cases and provides an understanding of women s vulnerability as a global phenomenon that comprises both cultural and organizational contexts By examining how publicly and organizationally women develop particular and creative strategies to navigate vulnerability the book significantly contributes towards identifying archetypical practices for negotiating vulnerability in different contexts

Protection from gender-based violence in food and nutrition security interventions Food and Agriculture Organization of the United Nations, 2018-03-05 The purpose of this Guide is to equip FAO and its partners with information on Gender Based Violence GBV relevant to their work and provide practical guidance on how to design and deliver food security and nutrition programmes in ways that prevent and mitigate GBV and contribute to the protection of survivors and those at risk In view of the Organization s specific areas of competence in food security nutrition and agricultural livelihoods this Guide will focus on GBV issues in this context All staff should endeavour to understand the contents of this Guide and follow its recommendations to ensure FAO creates safe and sustainable livelihood opportunities that can truly build resilience The Guide is a living document that will continue to evolve as FAO accumulates experiences and lessons learned in an ever changing working environment      **The Gender Based Violence Indicators Study** Mercy Machisa, Roos van Dorp, 2012 Over two thirds of women in Botswana 67% have experienced some form of gender violence in their lifetime including partner and non partner violence A smaller but still high proportion of men admit to perpetrating violence against women Inspired by the Commonwealth Plan of Action on Gender and Development 2005 2015 and Southern African Development

Community SADC Protocol on Gender and Development target of halving GBV by 2015 this research project provides the first comprehensive and comparative baseline assessment of the extent effects and response to GBV in Botswana A representative sample of 639 women and 590 men across Botswana completed questionnaires in their preferred local language on behaviour and experiences related to GBV Researchers asked women about their experience of violence perpetrated by men while men were asked about their perpetration of violence against women

**Handbook of Research on Discrimination, Gender Disparity, and Safety Risks in Journalism** Jamil, Sadia,Çoban, Barış,Ataman, Bora,Appiah-Adjei, Gifty,2020-12-18

Today a variety of gender based threats and discrimination continue to characterize journalism Both male and female journalists are prone to online and offline threats casual stereotypes in their routine work and discrimination especially in terms of job opportunities promotion and pay scale Working in a safe and non discriminatory environment is the right of all journalists regardless of their gender The Handbook of Research on Discrimination Gender Disparity and Safety Risks in Journalism is a critical reference book that highlights equal rights in journalism to ensure the safety of women and men The book investigates the level and nature of threats both online and offline faced by journalists as well as gender discrimination in journalism Best practices and examples that can promote a safe working environment and gender equality in journalism are also presented Highlighting important themes such as online harassment sexism and gender based violence this book is ideal for journalists reporters media organizations professionals researchers academicians and students working or studying in the fields of journalism media and communications human rights and women s studies

**Best Practices in Development Co-operation Toolkit to Support Implementation of the OECD DAC Recommendation on Ending Sexual Exploitation Abuse and Harassment** OECD,2024-06-28 This Toolkit synthesises learning and examples gathered from Development Assistance Committee DAC members and partners including their work through international fora such as the OECD as well as additional research It aims to support DAC members and partners in deepening their work and accelerate progress on any number of topics contained within the DAC Recommendation s six pillars Progress in Sexual Exploitation Abuse and Harassment SEAH prevention and response can be very incremental and difficult to measure in part because it relies on addressing the many underlying factors that support the perpetuation of SEAH such as cultural and social norms as well as power dynamics This Toolkit aims to support progress by DAC members on both technical and political levels as well as support their coordination efforts with their partners to work towards long term sustainable change

**Yearbook on the African Union Volume 3 (2022)** ,2023-11-20 This is the third edition of the Yearbook on the African Union YBAU The YBAU is first and foremost an academic project that provides an in depth evaluation and analysis of the institution its processes and its engagements Despite the increased agency in recent years of the African Union in general and the AU Commission in particular little is known outside expert policy or niche academic circles about the Union s activities This is the gap the Yearbook on the African Union wants to systematically address It seeks to be a reference point
