

The background is a lush, painterly illustration of a forest scene. A vibrant rainbow arches across the upper half of the image. In the foreground, two white swans are visible; one is on the right, looking towards the left, and another is partially visible on the left. The forest floor is covered with green foliage, white daisies, and small yellow stars. The overall style is whimsical and magical.

Ireland's Trees - Myths, Legends & Folklore Niall Mac Coitir, 2016-10-03 Name the five Great Trees of Ireland. What trees are most often found beside holy wells or cemeteries? Which tree gave the Red Branch Knights of Ulster their name? Ireland was once so heavily wooded it was said a squirrel could travel from Cork to Killarney without touching the

ground So it is no surprise that in ancient Ireland mythology and folklore were a part of the people's general knowledge about trees Many of the myths and legends and much of the folklore associated with native trees persists to this day and are gathered together in this book

Myths & Legends of the Celtic Race Thomas William Rolleston, 1911 *Education and Celtic Myth* Pádraic Frehan, 2012-01-01

The book examines one aspect of the national self image of Ireland as it was transgenerationally transmitted in the Irish National School environment through the medium of the Celtic mythology tales Celtic mythology embodied a unique Irishness without being contentious in the wider social and political spheres and the texts had the capability to impart a national self image a character and ideological model for the young generation to follow and exemplify while concurrently act as a sanctuary in which a unique neutral Irish self past and contemporary self image could be connected to From 1922 onwards a state run National School curriculum was set up to propagate a national ideal through the teaching of the Irish language Irish history and a rekindled awareness of Ireland's unique past The mythology tales were employed to portray this unique past and their inclusion in the textbooks provided a platform for the policies of the inculcation of national pride self respect and self image in the Irish nation official government and Department policy following the Second National Programme Conference and Report in 1926 The aim of this book is an imagological one focusing on what made these tales ideological The study incorporates a triangular approach contextual intertextual and textual It is at the point of intersection between 4 specialisms the historical study of Irish nationalism the history of culture and education in 20th century Ireland imagology and corpus linguistics The conclusions drawn are based upon factual statistical information garnered from the analyses conducted on the corpus and utilise information that is concrete and not hypothetical This volume is of interest for all those working in Irish school literature Irish studies especially cultural intellectual and educational history of Ireland imagology and European studies
