Language And Neoliberalism Marnie Holborow:

Language and Neoliberalism Marnie Holborow, 2015-02-20 Language and Neoliberalism examines the ways in which neoliberalism or the ideology of market rule finds expression in language In this groundbreaking original study Holborow shows at once the misleading character of ideological meaning and the underlying social reality from which that meaning emerges In universities it is now the norm to use terms like entrepreneurial and business partnerships How have these terms become a core component of education and gained such force Markets have become metaphorically a power in their own right They now tell governments how to act and warn them against too much public spending Post crash the capitalist market continues to be crisis prone and in that context the neoliberal ideology remains contested Free of jargon and assuming no specialist knowledge this book will strike a chord internationally by showing how neoliberal ideology has literally gone global in language Drawing on Volo inov and Bakhtin Williams and Gramsci and introducing concepts from Marxist political economy Language and Neoliberalism is essential reading for all interested in the intersection of linguistics applied linguistics and politics

Language and Neoliberal Governmentality Luisa Martín Rojo, Alfonso Del Percio, 2019-06-26 Against a background of the ongoing crisis of global capitalism and the fracturing of the neoliberal project this book provides a detailed account of the ways in which language is profoundly imbricated in the neoliberalising of the fabric of social life With chapters from a cast list of international scholars covering topics such as the commodification of education and language unemployment and the governmentality of the self and discussion chapters from Monica Heller and Jackie Urla bringing the various strands together the book ultimately helps us to understand how language is part of political economy and the everyday making and remaking of society and individuals It provides both a theoretical framework and a significant methodological tool box to critically detect understand and resist the impact of neoliberalism on everyday social spheres particularly in relation to language Presenting richly empirical studies that expand our understanding of how neoliberalism as a regime of truth and as a practice of governance performs within the terrain of language this book is an essential resource for researchers and graduate students in English language sociolinguistics applied linguistics linguistic anthropology and related areas

The Routledge Handbook of Migration and Language Suresh Canagarajah, 2017-02-03 Winner of AAAL Book Award 2020 Shortlisted for the BAAL Book Prize 2018 The Routledge Handbook of Migration and Language is the first comprehensive survey of this area exploring language and human mobility in today s globalised world This key reference brings together a range of interdisciplinary and multidisciplinary perspectives drawing on subjects such as migration studies geography philosophy sociology and anthropology Featuring over 30 chapters written by leading experts from around the world this book Examines how basic constructs such as community place language diversity identity nation state and social stratification are being retheorized in the context of human mobility Analyses the impact of the mobility turn on language use including the parallel multilingual turn and translanguaging

Discusses the migration of skilled and unskilled workers different forms of displacement and new superdiverse and diaspora communities Explores new research orientations and methodologies such as mobile and participatory research multi sited ethnography and the mixing of research methods Investigates the place of language in citizenship educational policies employment and social services The Routledge Handbook of Migration and Language is essential reading for those with an interest in migration studies language policy sociolinguistic research and development studies **The Intentional**

Dynamics of TESOL Juup Stelma,Achilleas Kostoulas,2021-04-19 This book presents intentional dynamics which is a new perspective on TESOL contexts activity and outcomes The key innovation is a synthesis of complex systems and ecological theories as well as the concept of intentionality from the philosophy of mind to understand the psychological and social processes of TESOL One aspect of intentional dynamics is the ordinary intentions of individuals to perform particular actions and of organisations to achieve planned outcomes Another aspect is philosophically defined psychological and social forms of intentionality Psychological intentionality is understood as what language learners and teachers and other stakeholders beliefs and emotions are about or directed at Social intentionality is the aboutness expressed by TESOL materials curricula and policies The book explores how intentional dynamics both emerge from and give shape to TESOL activity and outlines what are the practical implications of intentional dynamics for TESOL learners teachers researchers managers and policy makers Political Economy and Sociolinguistics David Block,2018-02-08 Shortlisted for the BAAL Book Prize 2019 This

book explores how political economy intersects with sociolinguistics specifically how neoliberalism inequality and social class mediate language in society issues After the preface in which the author sets the scene for the content of the book Chapter 1 is an extensive though selective review of sociolinguistics research which has been framed as political economic in orientation The chapter concludes that such research generally contains little in the way of thorough and in depth coverage of the key ideas and conceptual frameworks said to undergird it With this consideration in mind Chapters 2 3 and 4 are organised around in depth discussions of respectively political economy as a general disciplinary frame neoliberalism as the variegated variety of capitalism dominant in the world today and stratification inequality and social class as phenomena intrinsic to capitalism which in the neoliberal era have come to the fore as key issues Drawing directly on the background provide in Chapters 2 4 Chapters 5 and 6 explore two distinct political economy informed lines of research on the one hand the neoliberal citizen and on the other hand discursive class warfare The book ends with an epilogue addressing issues arising around political economy in sociolinguistics *Neoliberalism and Language Shift* Ben Ó Ceallaigh,2022-11-07 While economic forces are often cited as being a key cause of language loss there is very little research that explores this link in detail This work based on policy analysis and ethnographic data addresses this deficit It examines how neoliberalism the dominant economic orthodoxy of recent decades has impacted the vitality of Irish in the Republic of Ireland since 2008 Drawing on concepts well established in public policy studies but not prominent in the subfield of language policy the

neoliberalisation of Irish language support measures is charted including the disproportionately severe budget cuts they received. It is argued that neoliberalism's antipathy towards social planning and redistributive economic policies meant that supports for Irish were inevitably hit especially hard in an era of austerity. Ethnographic data from Irish speaking communities reinforce this point and illustrate how macro level economic disruptions can affect language use at the micro level. Labour market transformations, emigration and the dismantling of community institutions are documented along with many related developments thereby highlighting an issue of relevance to communities around the world: the fundamental tension between neoliberalism and language revitalisation efforts.

Translingual Practices and Neoliberal Policies

Suresh Canagarajah, 2016-07-28. This book responds to recent criticisms that the research and theorization of multilingualism on the part of applied linguists are in collusion with neoliberal policies and economic interests. While acknowledging that neoliberal agencies can appropriate diverse languages and language practices including resources and dispositions theorized by scholars of multilingualism, it argues that a distinction must be made between the different language ideologies informing communicative practices. Those of neoliberal agencies are motivated by distinct ideological orientations that diverge from the theorization of multilingual practices by critical applied linguists. In addressing this issue, the book draws on the author's empirical research on skilled migration to demonstrate how sub-Saharan African professionals in English dominant workplaces in the UK, USA, Australia and South Africa resist the neoliberal communicative expectations and employ alternate practices informed by critical dispositions. These practices have the potential to transform neoliberal orientations on material development. The book labels the latter as informed by a postcolonial language ideology to distinguish them from those of neoliberalism. While neoliberal agencies approach languages as being instrumental for profit making purposes, the author's informants focus on the synergy between languages to generate new meanings and norms which are strategically negotiated in pursuit of ethical interests, inclusive interactions and holistic ecological development. As such, the book clearly illustrates that the way critical scholars and multilinguals relate to language diversity is different from the way neoliberal policies and agencies use multilingualism for their own purposes.

Neoliberalism and Applied Linguistics

David Block, John Gray, Marnie Holborow, 2013-03-01. This book explores neoliberalism: a view of the world that puts the market at its centre from the perspective of applied linguistics. Neoliberalism and Applied Linguistics argues that while applied linguistics has become more interdisciplinary in orientation, it has ignored or downplayed the role of political economy, namely the way in which social, political and economic factors relate to one another within the context of a capitalist economy. The authors take the view that engagement with political economy is central to any fully rounded analysis of language and language related issues in the world today and their collaboration in this volume represents an initial attempt to redress what they perceive to be an imbalance in the field. The book begins with a discussion of neoliberalism and an analysis of the ways in which neoliberal ideology impacts on language. This is followed by a discussion of how globalization and identity have been

conceptualised in applied linguistics in ways which have ignored the political centrality of class a concept which the authors see as integral to their perspective The book concludes with an analysis of the ways in which neoliberal ideology plays out in two key areas of applied linguistics language teaching and language teacher education Neoliberalism and Applied Linguistics is essential reading for advanced undergraduates postgraduates and researchers in applied linguistics *Language Textbooks in the era of Neoliberalism* Pau Bori,2018-02-15 This book examines how neoliberalism finds expression in foreign language textbooks Moving beyond the usual focus on English Pau Bori explores the impact of neoliberal ideology on Catalan textbooks By comparing Catalan textbooks to English textbooks this book interrogates the similarities and differences between a minor and a global language in the age of neoliberalism Drawing on insights from critical theory and critical pedagogy this study provides a fresh perspective on foreign language textbooks and second language education more broadly *Language Textbooks in the Era of Neoliberalism* paves the way for new critical perspectives in language education that will challenge the current hegemony of neoliberalism *The Language of Money* Annabelle Mooney,2018-04-27 Through a detailed examination of proverbs related to money this book offers a comprehensive critique of the prevailing everyday ideologies and discourses on money and paves the way toward establishing a new set of proverbs more conducive to financial equality and human well being The volume explores a variety of contexts to demonstrate the different aspects of the money system and the linguistic and social structures embedded within them including pay day loan websites gambling get rich self help books and new forms of currency Unpacking this complex relationship between people money and language in contemporary society this book is an ideal resource for students and scholars in language and communication sociolinguistics rhetoric sociology and media studies **Education and the Discourse of Global Neoliberalism** John Gray,John P. O'Regan,Catherine Wallace,2021-05-22 This book investigates neoliberalism in education and explains how it is a complex phenomenon which takes on local characteristics in diverse geopolitical economic and cultural settings while retaining a core commitment in all its manifestations to market fundamentalism Neoliberalism that set of beliefs and practices which has become the economic orthodoxy of global preference since the 1980s appears remarkably resilient despite the US financial crisis of 2008 and the subsequent implementation of austerity in the massively indebted nations of the European Union This book addresses the phenomenon of neoliberalism in education and focuses on school and higher education settings in Ireland the UK Singapore and Hong Kong Specifically it addresses the role of language and semiosis in the reconfiguration of global educational practices along increasingly marketised lines At the same time the nature of the counter hegemonic discourses also in circulation in these sectors is also considered Collectively the chapters in the book seek to shed light on the possibilities for resistance and the prospect of change from a variety of theoretical and inter cultural perspective The chapters in this book were originally published in a special issue of the journal *Language and Intercultural Communication* Bridging Linguistics and Economics Cécile B. Vigouroux,Salikoko S. Mufwene,2020-03-19 By bridging the gap between

linguistics and economics this book sheds light on a range of mutually valuable topics Project-Based Learning in Second Language Acquisition Adrian Gras-Velazquez,2019-07-25 This book showcases pedagogical tools for learning languages through interdisciplinary project based learning PBL Chapters demonstrate a diverse range of PBL activities that help students build communities of practice within classroom settings and across local and global communities Too often learning a language can become a static endeavor confined to a classroom and a singular discipline But language is dynamic and fluid no matter the setting in which learning takes place In acknowledging this this volume explores how PBL and community engagement pedagogies serve to combine learning goals and community service in ways that enhance student growth and facilitate second language development in an interdisciplinary multilingual and multicultural higher education learning environment Chapters touch on activities and approaches including spoken word poetry environmental projects social activism study abroad and in service learning This book will be of interest to researchers academics and postgraduate students in the fields of language education second language acquisition higher education and comparative and international education Sociolinguistics Nikolas Coupland,2016-06-20 Sociolinguistics is a dynamic field of research that explains the role and function of language in social life This book offers the most substantial account available of the core contemporary ideas and arguments in sociolinguistics with an emphasis on innovation and change Bringing together original writing by more than twenty of the field s most influential international thinkers and researchers this is an indispensable guide to the newest and most searching ideas about language in society For researchers and advanced students it gives access to the field s most pressing issues and debates as well as providing a platform for new initiatives in sociolinguistic research

Loneliness and the Crisis of Work Pritika Nehra,2021-05-20 In the context of contemporary capitalist societies this book provides philosophical reflections on new forms of domination vulnerability and alienation in the social relations associated with work Following Hannah Arendt who viewed work as a world building activity the volume addresses issues pertaining to the crisis of work and loneliness as a political problem of exclusion and meaninglessness Social Class in Applied Linguistics David Block,2013-12-04 In this ground breaking new book David Block proposes a new working definition of social class in applied linguistics Traditionally research on language and identity has focused on aspects such as race ethnicity nationality gender religion and sexuality Political economy and social class as an identity inscription have been undervalued This book argues that increasing socioeconomic inequality which has come with the consolidation of neoliberal policies and practices worldwide requires changes in how we think about identity and proposes that social class should be brought to the fore as a key construct Social Class in Applied Linguistics begins with an in depth theoretical discussion of social class before considering the extent to which social class has been a key construct in three general areas of applied linguistics sociolinguistics bi multilingualism and second language acquisition and learning research Throughout the book Block suggests ways in which social class might be incorporated into future applied linguistics research A critical read for

postgraduate students and researchers in the areas of applied linguistics language education and TESOL Language and Materiality Jillian R. Cavanaugh, Shalini Shankar, 2017-10-19 Language and Materiality argues the importance of analyzing language use with an eye toward new materialisms semiotics and ideology Translation and Neoliberalism Ali Jalalian Daghigh, Mark Shuttleworth, 2024-10-25 This book explores the intersections of neoliberalism translation and interpreting a scarcely explored topic in the field of translation studies across diverse regions including Europe North America Asia and Australia covering four primary themes that offer unique perspectives on how neoliberal ideologies influence translation and interpreting The first theme uses data triangulation to delve into the influence of market driven ideologies on translation and interpreting curriculum globally as well as the neoliberal tendencies of the trainees in China and Korea The second theme investigates the effects of top down neoliberal policies on translation services and practices in Australia Canada and the UAE examining how these policies influence service quality working conditions and the balance between market demands and academic requirements The third theme assesses the influence of technology and neoliberalism on the translation and interpreting labor market providing a critical analysis of the automation of translation workflows the rise of non standard employment arrangements and the socio economic challenges faced by translation professionals The final theme analyzes the intersection of neoliberalism and translation at the discourse level employing various approaches including critical discourse analysis and content analysis to explore how neoliberal values manifest in translated texts and practices in China Iran and USA This book is an essential resource for academics postgraduate students researchers policymakers educators and practitioners interested in the dynamic interplay between neoliberalism and translation offering new insights and critical perspectives that contribute to a deeper understanding of the socio economic forces shaping the field of translation and interpreting **The Triumph of Managerialism?** Anna Yeatman, Bogdan Costea, 2018-10-16 This collection presents a critical dialogue on managerialist forms of government between philosophy political thought organisational and management theory The volume brings together essays that are concerned with technologies of government that are articulated as different iterations of managerialism The hallmark of managerialist discourse is value considered as a quantifiable abstraction where the intention is to always add value The central question addressed here by a team of international expert authors from across a range of disciplines is this in what ways has this abstraction of value impacted on the substantive work and ethical integrity of government and the public sector and more broadly of the professions including that of management itself Has it displaced this work or simply recast it The volume addresses audiences in social sciences philosophy management business and organisational studies **Spanish in Health Care** Glenn A. Martínez, 2020-05-13 Spanish in Health Care fills an important gap by offering a panoramic overview of the research on Spanish in health settings that is emerging from a variety of disciplines Synthesizing research from diverse disciplines such as sociolinguistics discourse analysis health services research behavioral health research health policy and administration and social epidemiology the

volume offers a uniquely unified approach to the subject of Spanish in healthcare This volume will be of interest to researchers in Spanish linguistics sociolinguistics health communication and languages for specific purposes

Language And Neoliberalism Marnie Holborow Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Language And Neoliberalism Marnie Holborow PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Language And Neoliberalism Marnie Holborow PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Language And Neoliberalism Marnie Holborow free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Language And Neoliberalism Marnie Holborow Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Language And Neoliberalism Marnie Holborow is one of the best book in our library for free trial. We provide copy of Language And Neoliberalism Marnie Holborow in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Language And Neoliberalism Marnie Holborow. Where to download Language And Neoliberalism Marnie Holborow online for free? Are you looking for Language And Neoliberalism Marnie Holborow PDF? This is definitely going to save you time and cash in something you should think about.
