Last Man In My Life:

The Last Man Mary Shelley, 2023-12-17 The Last Man is a post apocalyptic science fiction novel by Mary Shelley which was first published in 1826 The book tells of a future world that has been ravaged by a plague The novel was harshly reviewed at the time and was virtually unknown having been eclipsed by Shelley s more popular works until a scholarly revival in the 1960s It contains semi biographical portraits of Romantic figures in Shelley s circle particularly Shelley s late husband Percy Bysshe Shelley and Lord Byron Plot Summary Introduction Mary Shelley states in the introduction that in 1818 she discovered in the Sibyl s cave near Naples a collection of prophetic writings painted on leaves by the Cumaean Sibyl She has edited these writings into the current narrative the first person narrative of a man living at the end of the 21st century commencing in 2073 and concluding in 2100 Despite the chronological setting the world of The Last Man appears to be relatively similar to the era in which it was written Failure of Romantic Political Ideals The Last Man not only laments the loss of Shelley s friends but also questions the Romantic political ideals for which they stood In a sense the plague is metaphorical since the revolutionary idyll of the lite group is corroded from within by flaws of human nature As literary scholar Kari Lokke writes in its refusal to place humanity at the center of the universe its questioning of our privileged position in relation to nature then The Last Man constitutes a profound and prophetic challenge to Western humanism Specifically Mary Shelley in making references to the failure of the French Revolution and the Godwinian Wollstonecraftian and Burkean responses to it attacks Enlightenment faith in the inevitability of progress through collective efforts Isolation Hugh Luke argues By ending her story with the picture of the Earth s solitary inhabitant she has brought nearly the whole weight of the novel to bear upon the idea that the condition of the individual being is essentially isolated and therefore ultimately tragic Shelley shares this theme of tragic isolation with the poetry of Lord Byron and William Wordsworth Science and Medicine Just as her earlier and better known novel Frankenstein 1818 engaged with scientific questions of electromagnetism chemistry and materialism The Last Man finds Shelley again attempting to understand the scope of scientific inquiry Unlike the earlier novel s warnings about Faustian over reaching this novel s devastating apocalypse strongly suggests that medicine had become too timid and ultimately come too late

The Last Man Mary Wollstonecraft Shelley, 1965-01-01 A new edition of a neglected novel by the author of Frankenstein first published in 1826 takes place in the twenty first century after a plague leaves only one man alive a young Englishman and a onetime delinquent to fathom his fate Reprint

Passages From My Life; Together With Memoirs Of The Campaign of 1813 And 1814 General Freiherr (Baron) Friedrich Karl Ferdinand von Müffling, 2011-07-12 Baron von Müffling was an eye witness to some of the most decisive events of the Napoleonic Wars born into a noble family he went into the Prussian service and saw action in the early campaigns of the Revolutionary wars in Holland and Belgium during which he said he learned very little He was party to the birth of the famed Prussian General staff and comments of the different personalities such as Scharnhorst Gneisenau and to a lesser extent Massenbach On a less happy note he was also a member of the Prussian army that was destroyed by Napoleon in 1806 and notes with some regret of the bumbling planning ancient commanders and ineffective tactics used After spending some time kicking his heels away from Prussia where he might be a liability due to his anti French views the collapse of the Grande Armée in 1812 offers a chance for further service and liberation of his country Attached to the army of Silesia and Blücher for the campaigns of 1813 and 1814 during which he and his countrymen fight their way across Europe into the heart of France He comments on the battles of Lützen Bautzen and the battle of Nations at Leipzig the strained relationships within the allied headquarters and the deeds of hard fighting and long marches that the Russian and Prussian soldiers make under Blücher His comments on the 1814 campaign in France are particularly interesting as he was at the heart of the action and at the side of the conductors of the campaign from the Allied side He is quick to take issue with erroneous statements made at the time and by later commentators as to the decisions made and the actions taken Müffling was allowed little respite after the peace of 1814 plunging back into the fray in 1815 as the Prussian liaison officer at the Duke of Wellington's headquarters Vivid details and important facts are recounted with extreme modesty and unlike staff officers of later years his place on the battlefield at the Duke's side was one of grave danger as the Anglo Dutch army struggled to hold on to the ridge at Waterloo His own action was indeed decisive in two incidents the first in directing the Prussian reinforcements to the right of the hard pressed allied line and secondly in bringing up two British cavalry brigades to take part in the final assault on the French lines He was appointed the Governor of Paris a particularly tricky job given the recent struggles and the large numbers of armed men roaming the city which he dispatched with aplomb Müffling would go on to many important postings in the Prussian army and even as an international mediator An excellent read full of details of how the Napoleonic Wars was fought

and the personalities that brought down the Napoleonic colossus Author General Baron Friedrich Karl Ferdinand von Muffling 1775 1851 Editor Colonel Philip Yorke 1799 1874 **My First Booke of My Life** Alice Thornton, 2014-05-01 An early modern domestic and spiritual memoir My First Booke of My Life depicts the life of Alice Thornton 1626 1707 a complex contradictory woman caught in the changing fortunes and social realities of the seventeenth century Her memoir documents her perspective on the Irish rebellion and English civil war as well as on a plethora of domestic dangers and difficulties from her reluctant marriage which sought to rescue the sequestered family estate and clear her brother's name to financial crises to the illnesses and deaths of several family members and six children to slanderous criticisms of her fidelity and her parenting This first complete edition of an autobiographical apologia begins with recollections of Thornton's childhood and ends with the death of her husband restoring almost half of the original text omitted from the nineteenth century edition The image she fashions of a woman devoted to God and family evolves from the conventional format of the deliverance memoir into a rhetorically sophisticated defense of her life in response to rumored scandal Inseparable from the praise of God and family is the distinctive sense of identity that emerges from the introduction text and annotations all of which provide a significant contribution to early modern woman's writing My Life, My Times, My Poems John Anthony

which he held the Deanery of St Paul s the Archbishopric of Canterbury having twice just escaped him The Bishop s eldest son Francis was un fameux d tail de notre famille as the grandfather of Madame de Maintenon said of his son He died after a life of the wildest dissipation without leaving any children by his wife Carlotta Alston who was his stepmother s sister So the property of Hurstmonceaux went to his half brother Robert son of the Bishop s second marriage with Mary Margaret Alston heiress of the Vatche in Buckinghamshire and of several other places besides Sir Robert Walpole had been the godfather of Robert Hare Naylor and presented him with a valuable sinecure office as a christening present and he further made the Bishop urge the Church as the profession in which father and godfather could best aid the boy s advancement Accordingly Robert took orders obtained a living and was made a Canon of Winchester While he was still very young his father had further secured his fortunes by marrying him to the heiress who lived nearest to his mother s property of the Vatche and by the beautiful Sarah Selman daughter of the owner of Chalfont St Peter s and sister of Mrs Lefevre he had two sons Francis and Robert and an only daughter Anna Maria afterwards Mrs Bulkeley In the zenith of her youth and loveliness however Sarah Hare died very suddenly from eating ices when overheated at a ball and soon afterwards Robert married a second wife the rich Henrietta Henckel who pulled down Hurstmonceaux Castle She did this because she was jealous of the sons of her predecessor and wished to build a large new house which she persuaded her husband to settle upon her own children who were numerous though only two daughters lived to any great age But she was justly punished for when Robert Hare died it was discovered that the great house which Wyatt had built for Mrs Hare and which is now known as Hurstmonceaux Place was erected upon entailed land so that the house stripped of furniture and the property shorn of its most valuable farms passed to Francis Hare Naylor son of Miss Selman Mrs Henckel Hare lived on to a great age and when the burden of her years came on her she repented of her avarice and injustice and coming back to Hurstmonceaux in childish senility would wander round and round the castle ruins in the early morning and late evening wringing her hands and saying Who could have done such a wicked thing oh who could have done such a wicked thing as to pull down this beautiful old place Then her daughters Caroline and Marianne walking beside her would say Oh dear mamma it was you who did it it was you yourself who did it you know and she would despairingly resume Oh no that is impossible it could not have been me I could not have done such a wicked thing it could not have been me that did it My cousin Marcus Hare had at Abbots Kerswell a picture of Mrs Henckel Hare which was always surrounded with crape bows
