motives by the colonial administration and argues that the colonial commercial policy of over one and a half centuries had impacted the ecology and environment. The book also deliberates whether the postcolonial government policies have changed in favour of environmental protection or have continued with the colonial policy and attempts to throw light on the issues of how the land for development policies have impacted the environment from the early nineteenth century until recent years. It then looks at the problem of electronic waste and its adverse impact on the environment ecology and health in a historical manner while engaging with the complexity of the conflict between land and population in relation to the environment. The book is the most comprehensive presentation on land population technology and development that India has witnessed since the early nineteenth century. There is an imperative need to inculcate in our personal and social life human values like freedom equality social justice religious tolerance secularism environment friendliness dignity and empowerment of women and above all a scientific temper for ensuring social and economic reconstruction. However the scientific temper has to be harnessed not merely for the creamy layers of society. It has to be harmonized with the needs of the poor and the deprived who dwell in 7 00 000 villages of India many of them living below the poverty line. If they are made to suffer in silence for long that silence may one day explode with all its fury and destroy the gains of the technological revolution sweeping across our country today. Gandhiji gave this warning to the nation in his lifetime a warning that we can overlook only at our own peril. INDIA Handbook 2019 for Competitive Exams - 2nd Edition Deepak Agarwal, Dr. Md.
