

Layout of drawings

1

1.1 General

This clause gives guidance on best practice in the layout of preprinted technical drawings, including those produced by computers.

1.2 Drawing sheets

The 'A' series of drawing sheets, shown in Figure 1, is normally used. The drawing area and title block should be within a frame border. In general, material within the frame border forms part of any contract requirements.

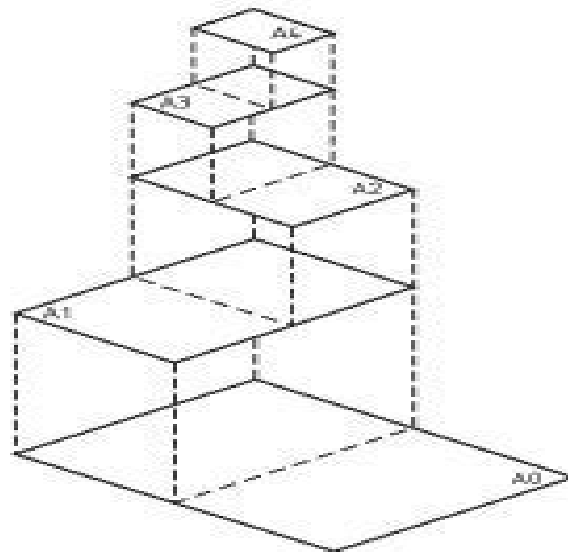

Figure 1: Relationship of the 'A' sizes.

A4 = 210 mm × 297 mm

A3 = 297 mm × 420 mm

A2 = 420 mm × 594 mm

A1 = 594 mm × 841 mm

A0 = 841 mm × 1189 mm

The sides of all sheets are in the ratio 1:√2.

A0 is normally 1 m² in area and forms the basis of the series.
