## Le Testament Dolymppe:

*The Exchange of Princesses* Chantal Thomas, 2015-07-07 Set in the French and Spanish courts of the eighteenth century this novel is based on a true story about the fate of two young princesses caught in the intrigues and secrets of the moment Philippe d'Orléans the regent of France has a gangrenous heart the result of a life of debauchery alcohol power and flattery One morning in 1721 he decides to marry eleven year old Louis XV to the daughter of Philippe V of Spain who is only four Orléans hopes this will tie his kingdom to Spain But were Louis to die without begetting an heir the likeliness of which is greatly increased by having a child bride Orléans himself would finally be king Orléans tosses his own daughter into the bargain the twelve year old Mlle de Montpensier who will marry the Prince of Asturias the heir to the Spanish throne The Spanish court enthusiastically agrees and arrangements are made The two nations trade their princesses in a grand ceremony in 1722 making bonds that should end the historical conflict Nothing turns out as expected *Le testament d'Olympe* Chantal

Thomas, 2010 Roman historique *Le mariage d'Olympe* Émile Augier, 1855 **Women, Equality, and the French Revolution** Candice E. Proctor, 1990-10-24 This volume represents the first book length study of attitudes toward women in revolutionary France Based on extensive research in the libraries and archives of Paris the book examines the impact of the Revolution's ideology of liberty and equality When the men of 1789 wrote the Declaration of the Rights of Man they were thinking in terms of man the male not man the species But there were some men and women who interpreted it in terms of all humanity The outrage of these individuals over what they perceived as a discrepancy between the principles and the practice of the Revolution motivated them to produce some of the most unhesitating declarations of sexual equality that had ever been seen in history Dr Proctor demonstrates however these claims of equality were not simply ignored they were categorically rejected by the mainstream revolutionaries The book examines the typical 18th century concept of women as alien and in some ways inferior beings and traces the striking continuity between pre Revolutionary and Revolutionary thought on the subject Against this background Proctor addresses a number of important questions How widespread was the support for a movement in favor of sexual equality What was the response of the Revolution itself to demands for equal rights for women How did the men of the French Revolution justify the contradiction between their suppression of women and the ideologies for which they claimed to be fighting To arrive at the answers an abundance of material produced in France in the 18th century is identified and analyzed and cited in an extensive bibliography of original sources What finally emerges is not only a clearer picture of the French Revolution and its attitude toward women but a deeper understanding of the ambivalent attitudes toward women that still affect our society today This book will be an important resource for courses in European history the French Revolution and women's studies as well as a valuable reference for college university and public libraries

**Les œuvres essentielles d'Olympe de Gouges** Olympe de Gouges, 2025-02-11 Ce recueil est unique des textes publiés nulle part ailleurs Il s'agit des œuvres essentielles d'Olympe de Gouges femme de lettres militante et figure emblématique du

mouvement féministe en France au XVIII<sup>e</sup> siècle. Ne Marie Gouze Montauban elle devient célèbre pour ses écrits et son engagement en faveur des droits des femmes de l'abolition de l'esclavage et de la justice sociale. Ainsi ce volume exceptionnel rassemble dans l'ordre les œuvres suivantes : Préface pour les dames, Déclaration des droits de la femme et de la citoyenne, Remarques patriotiques, Dialogue entre mon esprit, le bon sens et la raison, Lettre Monseigneur le duc d'Orléans, premier prince du sang, Le cri du sage par une femme, Action héroïque d'une française, Les commandements masqués. Sera-t-il Roi, ne le sera-t-il pas, L'esclavage des noirs, Œuvres de la citoyenne de Gouges. Description de la fête du 3 juin, Le prince philosophe, Testament politique d'Olympe de Gouges. Olympe de Gouges demeure une figure importante de l'histoire des droits des femmes et de l'égalité. Ses écrits ont eu une influence majeure dans le développement du féminisme moderne. Elle est souvent citée comme une pionnière de la lutte pour l'égalité entre les sexes et pour les droits civiques des femmes. Ce volume est publié dans le fonds littéraire international Memoria Books. Les œuvres d'Olympe de Gouges sont restituées fidèlement et pour un certain nombre d'entre elles écrites dans la langue française qui était celle de la fin du XVIII<sup>e</sup> siècle.

*Between the Queen and the Cabby* John Cole, 2011-07-20 In *Between the Queen and the Cabby* John Cole provides the first full translation of de Gouges's *Rights of Woman* and the first systematic commentary on its declaration, its attempt to envision a non-marital partnership agreement and its support for persons of colour. Cole compares and contrasts de Gouges's two texts explaining how the original text was both her model and her foil. By adding a proposed marriage contract to her pamphlet she sought to turn the ideas of the French Revolution into a concrete way of life for women. Further examination of her work as a playwright suggests that she supported equality not only for women but for slaves as well. Cole highlights the historical context of de Gouges's writing, going beyond the inherent sexism and misogyny of the time in exploring why her work did not receive the reaction or achieve the influential status she had hoped for. Read in isolation in the gender-conscious twenty-first century de Gouges's *Rights of Woman* may seem ordinary. However, none of her contemporaries, neither the Marquis de Condorcet nor Mary Wollstonecraft, published more widely on current affairs so boldly attempted to extend democratic principles to women or so clearly related the public and private spheres. Read in light of her eventual condemnation by the Revolutionary Tribunal, her words become tragically foresighted. Woman has the right to mount the Scaffold; she must also have that of mounting the Rostrum.

**Le mariage d'Olympe** Emile Augier, 1859 **Britannica Book of the Year**, 2011

**Britannica Book of the Year 2011** Encyclopaedia Britannica, Inc., 2011-03-01 The *Britannica Book of the Year 2011* provides a valuable viewpoint on the people and events that shaped the year.
