The Pastor's Library Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s *The Minister's Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies

Starting Lean from Scratch Brent Donald Timmerman, 2019-05-15 What if the problem is you For organizations just preparing to begin a continuous improvement CI journey the behaviors of the leadership must transform dramatically for the Lean toolkit to succeed Many organizations invest in training colleagues about the power of the tools but fail to address the behavior and mindset of the leadership Unfortunately misaligned leadership behaviors will counteract any culture change that is attempted simply by pushing the use of Lean tools This book outlines a comprehensive set of leadership principles that must be understood and modelled by the leadership before the CI Journey can effectively begin This book organizes these leadership principles into a framework of a conceptual model called the Three Spaces of Lean Transformation The model suggests that these spaces of Trust Change and Continuous Improvement must be consciously shaped developed and maintained by the organizational leadership if a continuous improvement culture change succeeds This book organizes a set of leadership principles that supports the culture change into each of these three spaces The book is written in the first person narrative and maintains a mentoring format This book is for professionals at the very beginning of an intimidating Lean journey and with very little background or formal Lean training Although these leadership principles are framed in the approach of being necessary to support an innovation culture change the principles are in fact those necessary to support effective employee engagement In addition this set of leadership

principles if modeled consistently by the leaders will create an organizational culture that will attract and retain great employees These principles form the strong leadership foundation that must be established in organizations where previously many of the leadership behaviors were contrary to what is required by a Lean organization The proper adoption of these leadership principles by an organization will support the long term success of the Lean journey and that this will enable a lasting not a temporary change to a continuous improvement culture

The Gentle Art of Leadership Brian Donovan, Dean Phelan, 2024-11-12 What makes leaders great The writing is on the wall Quantitative and qualitative research indicate they consistently practise a Gentle Art of Leadership Firsthand analyses of more than six thousand 360o feedback reports Over 50 one on one interviews with Leaders Reflections on hundreds of Executive Coaching sessions Review of over 160 books and articles on leadership Our own experiences as CEOs A compelling guide and handbook for anyone in a leadership role This Gentle Art of Leadership cuts against the grain of the often held view that great leaders CEOs and team coaches are charismatic extroverted forceful characters with powerful egos and that we need such big personalities to transform our companies organisations sporting teams and nations Sometimes this view proves to be true and we remember such characters But more often the greatest leaders who leave the greatest legacies have a powerful mixture of personal humility integrity and indomitable will for forwarding the health success and long term prosperity of their organisation and people They seem to get the best out of others by genuinely treating them with dignity and respect whilst focused on strategic outcomes
