The Ocean Hill-Brownsville Conflict Glen Anthony Harris,2012-05-18 The history of Black Jewish relations from the beginning of the twentieth century shows that while they were sometimes partners of convenience there was also a deep suspicion of each other that broke out into frequent public exchanges During the twentieth century the entanglements of both groups have at times provided an important impetus for social justice in the United States and at other times have been the cause of great tension The Ocean Hill Brownsville Conflict explores this fraught relationship which is evident in the intellectual lives of these communities The tension was as apparent in the life and works of Marcus Garvey Richard Wright and James Baldwin as it was in the exchanges between blacks and Jews in intellectual periodicals and journals in the 1940s 1950s and 1960s The Ocean Hill Brownsville conflict was rooted in this tension and the longstanding differences over community control of school districts and racial preferences Technical Association Papers Technical Association of the Pulp and Paper Industry,1920 *Standard Directory of Advertisers* ,1979 **Selected Water Resources Abstracts** ,1979
