Accounting Principles 10th Canadian Edition empowers students to succeed by providing a clear overview of fundamental financial and managerial accounting concepts with a focus on learning the accounting cycle from the sole proprietor perspective. With distinct pedagogical scaffolding of concepts and integrated practice throughout the text, *Accounting Principles* is dedicated to teaching students not just the how of accounting but also the why. To develop a deeper understanding of course concepts, students work through high quality assessments at varying levels helping them learn more efficiently while simultaneously building confidence in their problem solving skills. There are also a variety of hands on activities and resources designed to bridge the gap between the classroom and real world including running cases, Analytics in Action problems, Data Analytics Insight features, and Excel templates. With *Accounting Principles*, students will build a strong foundation of introductory accounting concepts along with a decision making skillset that they can carry with them into their future careers.

*Developing Skills for Business Leadership* Gillian Watson, Stefanie Reissner, 2014-02-17. Mapped to the CIPD Level 7 Advanced module of the same name, *Developing Skills for Business Leadership* focuses on three core areas for successful professional development and practice: managing yourself and others, transferable managerial skills, and postgraduate study skills. Each skill is covered both conceptually and practically by a subject area expert to help all readers analyze and critically evaluate, manage more effectively, make sound and justifiable decisions, and lead and influence others. Covering key concepts such as developing your professional identity, effective management of interpersonal relationships at work, people management, and interpreting financial information, this fully updated 2nd edition of *Developing Skills for Business Leadership* is ideal for all postgraduate business students taking a module in professional development, career development, or management skills. Integrating IT skills into each chapter, it includes a new chapter on reflecting and coaching, updated references to the CIPD's HR Profession Map, additional coverage of stress, health, and wellbeing, and an enhanced international dimension throughout the text. Online supporting resources include an instructor's manual and lecture slides, as well as additional case studies and sample assignments. Checklists and exam guides that lecturers can use in their teaching.

**Business for Communicators** Sandra Duhé, 2021-08-30. *Business for Communicators* provides future and current professional communicators with a hands on working knowledge of how businesses profit, grow, and adapt in their competitive environments. Corporate communicators aspire to sit at the decision making table but too often fall short because of an inability to speak the language of business or effectively apply a business mindset to communication strategy. *Business*

for Communicators provides the in depth business literacy these professionals need beyond just building the case for business intelligence or explaining business basics The text delves into the details of corporate finance accounting marketing strategy operations and economics to provide a theoretical grounding and a working knowledge that business communicators can apply to every decision they make Real world applications illustrate concepts covered focus on the communication implications of business outcomes and provide opportunities for extended learning and discussion This book is an essential resource for advanced undergraduate and graduate students as well as professional corporate communicators ready to enhance their influence and advance their careers with business acumen An accompanying website blog email and social media platforms provide additional resources interaction commentary and responses to questions from educators and practitioners as well as teaching materials for educators at [www.thecommunicatorsmba.com](http://www.thecommunicatorsmba.com)
