*Ever After* Christina Lee, Riley Hart, 2018-02-27 As next in line for the Evergreen crown Prince Merrick Davendall s future involves ruling marriage and producing an heir of his own But he s long been tormented by desires that are far from princely Especially when the beautiful Cassius is promoted to be his new valet and Merrick is struck by a longing like never before a longing to know him far beyond royal and servant After his father s passing Cassius Havendale s sole duty is to provide for his family A promotion to serve a pampered prince is something he endures only for their sake Surely Prince Merrick has no understanding of the true suffering of the common people nor could he possibly understand what it s like to desperately desire something he cannot have Except the prince is not at all what Cassius imagined Kind humorous and caring to those in need he also shares Cassius s affinity for the arts In fact Merrick understands his deepest vulnerabilities in a most remarkable way As their affection deepens the underlying tension between them becomes unbearable and they re unable to ignore it any longer But when the queen prepares a lavish ball with all the eligible ladies in the land in attendance Merrick must fulfill his obligations to his country and Cassius has the needs of his family to consider They ve long known their stolen moments would have to come to an end but are they ready to give up one another and the idea of a happily ever after PLEASE NOTE EVER AFTER is a romantic fairy tale minus the magic that features one compassionate prince one brooding valet and plenty of angsty forbidden love It s loosely based on a certain treasured fairy tale in a wintry make believe setting that wouldn t be considered contemporary but also isn t based on any specific time period and doesn t play by any traditional rules Please be sure to read the Dear Reader letter in the book before
