Private Capital Investing Roberto Ippolito, 2020-02-03 A step by step comprehensive approach to private equity and private debt Private Capital Investing The Handbook of Private Debt and Private Equity is a practical manual on investing in the two of the most common alternative asset classes private equity and private debt and provides a unique insight on how principal investors analyze investment opportunities Unlike other textbooks available in the market Private

Capital Investing covers the various phases that principal investors follow when analyzing a private investment opportunity. The book combines academic rigor with the practical approach used by leading institutional investors. Chapters are filled with practical examples, Excel workbooks downloadable from the book website, examples of legal clauses and contracts, and Q&A Cases are referred at the end of every chapter to test the learning of the reader. Instructors will find referrals to both third party cases or cases written by the author. Covers analytical tools. Includes the most common methods used to structure a debt facility and a private equity transaction. Looks at the main legal aspects of a transaction. Walks readers through the different phases of a transaction from origination to closing. Bridging the gap between academic study and practical application. Private Capital Investing enables the reader to be able to start working in private equity or private debt without the need for any further training. It is intended for undergraduates and MBA students, practitioners in the investment banking consulting and private equity business with prior academic background in corporate finance and accounting.

Restoration Heart William Cash, 2019-09-10 Breathtaking untold story riotously colourful. Mail on Sunday. I read most of it in one exciting sitting. It is brilliant, gripping and sad. Harry Mount. Restoration Heart is a story of love, double divorce and redemption. It is a biography of the heart and of a house. When William Cash suffers a post divorce mid life breakdown, aged 43, life seemed bleak, but things were about to change. Like William himself, his old Shropshire family house, Upton Cressett, was in as much in need of being rescued and fixed up as its owner. As William embarks on rebuilding his life and ruin of a country house, he starts looking again for love. But money, patience and the likelihood of ever finding family happiness soon start to run out. Drawing on his haul of letters written to various wives, fiancées and girlfriends, all potential third wives, the book follows Cash's search for a chatelaine for Upton Cressett. Restoration Heart is a tempestuous Gulliver-like voyage of the heart with a colourful cast of figures including Tom Wolfe, Jay McInerney, Margaret Thatcher, Elizabeth Hurley, David Hockney, Piers Morgan, an American singer legend, cousin and most dramatically, future prime minister Boris Johnson. Hilarious and poignant, this restore a wreck memoir is an account of how an Englishman is rescued by love, architecture and beauty. The memoir also holds up a dark lens to the Bonfire of the Vanities generation that Cash was a member of at Cambridge. The story reveals how a broken man can become completely transformed, both emotionally and imaginatively, by a building and its surrounding landscape. During the four year refurbishment, the house's reclamation becomes inexorably linked with his own rebirth and salvation. Before he finally marries for the third time and gets to live in his family house, this is not a misery memoir; it is an uplifting, albeit tempestuous, Gulliver-like biography of the heart with an ancient Elizabethan house as the writer's Arcadian safe house and source of salvation.
