The Eagles FAQ Andrew Vaughan,2015-02-01 If the Beatles wrote the soundtrack of the swinging 60s then the Eagles did the same for the cynical 70s The story of the Eagles is also the story of most artists of their time the drugs the music the excesses and the piles of cash But the Eagles took it to the limit And in Don Henley and Glenn Frey they had two songwriters who intuitively understood and accurately portrayed the changing America they lived in They perfected the California sound shifted power from record company to artist and pioneered album oriented rock Eagles songs of the period are as memorable as any ever written and their most popular album Hotel California became a timeless record of 70s decadence In The Eagles FAQ music critic Andrew Vaughan brings an insider s view into the various chapters of the group s fascinating history He shows how they blended the best folk rock and country sounds of the 60s into a worldwide soundtrack of the 70s while challenging the industry status quo with a new business model The story of their rise fall and rebirth is all here their mega selling smashes their tensions and breakups the band members solo work and their triumphant reunion and continued place at the top of the rock and roll tree

Life in the Fast Lane Mick Wall,2023-07-11 Surely make you lose your mind So the Eagles warn us about the outrageous and ruthless lifestyle of the ambitious rock n roller In fact Don Henley could barely listen to the track Life in the Fast Lane when they were recording it He was so high that it made him sick The band that embodied the American dream with globe straddling success impossibly luxurious lives and almost supernatural talent also descended into nightmare with bloodletting betrayal hate filled hubris the skeletons of perceived enemies brutally discarded lovers and former band mates left unburied in the road behind them The Eagles story is a truly gothic American fable one of ultimate power and rivers of money of sex and drugs at a time when both were the lingua franca of sophisticated So Cal living of a band who sang of peaceful easy feelings in public while threatening to kill each other in private Now legendary rock journalist Mick Wall delivers definitive insight into America s best selling band of all time a band that has sold more records than Led Zeppelin and the Rolling Stones combined exploring their meteoric rise to fame and the hedonistic days of the 70s music scene in LA when American music was taking over the world
