

Best Farewell Speech By Outgoing Students in School on Farewell Party

Good morning to the respected Principal, sir, teachers, mam, sweet juniors, and my dear colleagues.

Today is our farewell party, and it is the last day of school. Our school gave us precious memories that are truly priceless. The day when I first walked into the school premises is still fresh and new in my mind.

One of the most common phrases in the Torah is And the LORD spoke to Moses saying So many of the Torah s commandments are introduced in this way These words represent God speaking to Moses and instructing him what to repeat or teach to the Jewish people Yet this phrase is not found at all in Deuteronomy and this helps explain why this book is so very different from the other books of the Torah Deuteronomy is Moses s book It is the record of Moses s final speech to the Jewish people before his death But this leads to a very basic and very fundamental question Why are the words of man even a man as great as Moses part of God s holy Torah A very good question a powerful one indeed And while we may not come up with a good or satisfying answer this book examines and presents life lessons just as important as those found in any other biblical text **Dr. David Murray** Benjamin Duke,2019-06-21 This is the first biography in English of an uncommon

American Dr David Murray a professor of mathematics at Rutgers College who was appointed by the Japanese government as Superintendent of Education in the Empire of Japan in 1873 The founding of the Gakusei the first public school system launched in Japan marks the beginning of modern education in Japan accommodating all children of elementary school age Murray s unwavering commitment to its success renders him an educational pioneer in Japan in the modern world Benjamin Duke has compiled this comprehensive biography of David Murray to showcase Murray s work both in assisting around 100 samurai students in their studies at Rutgers and in his unprecedented role in early Japanese American relations This fascinating story uncovers a little known link between Rutgers University and Japan and it is the only book to conclude that

Rutgers made a greater contribution to the development of modern education in the early Meiji Era than any other non Japanese college or university in the world Hispanic Engineer & IT ,1991 Hispanic Engineer Information Technology is a publication devoted to science and technology and to promoting opportunities in those fields for Hispanic Americans
