

## QUESTION 1

- 1.1 A school's hockey team recorded the number of push-ups each player completed in a minute. The numbers for the seven players were:

29 27 24 31 22 19 30

- 1.1.1 Calculate the:

(a) Mean (2)

(b) Standard deviation (1)

- 1.1.2 How many players were within one deviation of the mean? (3)

- 1.1.3 Seven players in the school's rugby team also recorded the number of push-ups they completed in a minute. Their numbers gave a mean of 26 and a standard deviation of 3,2.

Use the standard deviations and the means to compare the number of push-ups of the players in the rugby and hockey teams. (2)

## Grade1septermber2013 Question Paper Maths Introduction

In the digital age, access to information has become easier than ever before. The ability to download Grade1septermber2013 Question Paper Maths has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Grade1septermber2013 Question Paper Maths has opened up a world of possibilities. Downloading Grade1septermber2013 Question Paper Maths provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Grade1septermber2013 Question Paper Maths has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Grade1septermber2013 Question Paper Maths. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Grade1septermber2013 Question Paper Maths. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Grade1septermber2013 Question Paper Maths, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Grade1septermber2013 Question Paper Maths has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
