When to apply

Deadlines vary depending on each individual course and institution and applications are usually made directly to the institution. **You would normally apply for a postgraduate course at the beginning of your final year;** however some courses may have places left in September. Most taught courses operate a first come first serve basis so if you want to study a particular course you should apply as soon as possible. If you miss the autumn intake for a course it can be worth checking to see if they have a January intake.

If you are concerned about how you are going to pay for the course, you can still apply, as even if you are accepted onto a course you are often able to defer your place due to financial reasons.
