Guide Management Overwhelmed Person Time:

The Overwhelmed Person's Guide to Time Management Ronni Eisenberg, Kate Kelly, 1997 An indispensable and accessible tool for those who have too much to do and not enough time to get it all done With dozens of sidebars charts and review sections at the end of every chapter The Overwhelmed Person's Guide to Time Management will teach you to set priorities and make realistic choices to regain control over your life

Time Management for the Creative Person Lee Silber, 2010-05-26 Creative folks often know all too well that the muse doesn't always strike when you want it to or when the deadline for your next brilliant project is creeping up on you like an ill fitting turtleneck Originality doesn't follow a time clock even when you have to While conventional time management books offer tons of instruction for using time wisely they are traditionally organized in a linear fashion which just isn't helpful for the right brain mind In Time Management for the Creative Person creativity guru Lee Silber offers real advice for using the strengths of artistic folks like originality and resourcefulness to adopt innovative time saving solutions such as Learning to say no when your plate is just too full How to know when a good job not a great one is good enough Making to do lists that include fun stuff too that way you won't feel overwhelmed by work Time saving techniques around the house that give you more time to get your work done and more time to spend with your loved ones The keys to clutter control that will keep your work space and your living space neat With these and lots of other practical tips Lee Silber will help anyone from the time starved caterer rushing to prepare for her next party to the preoccupied painter who forgets when the electric bill is due make the most of their time and turn the clock and the calendar into friends not foes
