Copyright Office, 1975 *Smoke on the Water* Dave Thompson, 2004-08-20 It is now 35 years since Deep Purple first came together and today 14 musicians 17 albums and millions of record sales later the group remains a monster Smoke on the Water is the first book in more than 20 years to tell the story of this remarkable band from their grandiose inception in 1968 to the release of their latest album in 2003 Drawing from candid interviews with band members associates and fans alike it traces the group through some of the most turbulent times that any band has survived placing the band s own music in vivid context and illustrating just how profoundly this one group helped change the world *Deep Purple and Rainbow* Steve Pilkington, 2022-06-28 Few would deny that Deep Purple were one of the most influential and popular heavy rock bands to emerge from the melting pot of the late 1960s They went through several line up changes and stylistic shifts before splitting up for the first time in the mid 1970s Talismanic guitarist Ritchie Blackmore carried the spirit on when he formed Rainbow after leaving Purple in 1975 particularly through his partnership with legendary singer Ronnie James Dio Deep Purple reformed some years later of course but many consider this original sometimes turbulent decade to be their most significant Steve Pilkington puts his focus on the period from Shades Of Deep Purple in 1968 through to the first dissolution of the band after Come Taste The Band in 1976 via such classics as Machine Head and In Rock He also discusses first four Rainbow studio albums including the classic Rainbow Rising and the hit laden Down To Earth album in 1979 taking a look at every song from every album in detail He also discusses live recordings plus DVD and video releases The result is the most exhaustive guide to the band s music yet produced as critical opinion rubs shoulders with facts trivia and anecdotes to provide a fascinating alternative history of these revered bands Whether you are a hardcore fan or simply want a guide through the world which lies beyond Smoke On The Water this book is for you The Author Steve Pilkington is a music journalist proof reader and broadcaster He is Editor in Chief for the Classic Rock Society magazine Rock Society and contributes to other publications such as Prog Before taking on this work full time he spent years writing for fanzines and an

Different Tracks Steve Millward,2014-09-28 1970 signalled the end of an era The Swinging Sixties came to a crashing halt as the world seemed to be changing for the worse Ideological and generational rifts became deeper and violent protest more commonplace Politicians dealt with realities not dreams The Vietnam War dragged on As ever popular culture mirrored it all with the death of Jimi Hendrix and the break up of The Beatles Yet these apparent crises produced a climate in which new ideas could develop pointing the way to a decade when creativity and tumult went hand in hand In Different Tracks his follow up to Changing Times Music and Politics In 1964 Steve Millward charts the major events of 1970 and the reaction they provoked from the increased militancy of the Black Panthers the Baader Meinhof Gang and the Angry Brigade to the new ways of living advocated by foodists feminists and futurists At the same time he makes the connections to a thriving music scene where singer songwriters such as Joni Mitchell and Nick Drake rubbed shoulders with innovators like Curtis Mayfield and Frank Zappa He shows how James Brown defined funk prog bands reached a peak of extravagance and the search was on to fuse rock with jazz folk and classical music Different Tracks is the second book in a trilogy spanning 1964 74 It will appeal to all music fans especially those looking for fresh insights into a turbulent and dynamic epoch
