The Radioactive Bride Alessandro Manzetti, 2025-04-03 Poisoned Uxor 77 radioactive meteor fucked Hearth with a big Kaboom changing the way of life of the inhabitants of our planet No more animal protein no more moral values or conscience weird and obscene mutations The primordial spirit of cannibalism rises again from its invisible grave walking hand in hand with old friends Depravity and Sadism and no one is safe anymore Everyone is subject to a single watchword survival at all costs Yeah you heard me the Radioactive Bride will marry you dear future mankind giving you a taste of her plutonium milk turning you into exquisite prey or ravenous perpetrator This is a sort of diary of these days told through the lives of a few characters new kind of freaks half man half worm captured to become circus attractions synthetic serial killers built in labs two headed prostitutes offering special services to their clients landfills with fights between women on next gen drugs and mutated big rats processions of new feminists who hunt for human testicles the show of a fat lady offering viewers a succulent reason to come back small pieces of her giant body rich collectors of human organs innovative restaurants and hyper extreme brothels where pimps and celebrated chefs prepare the daily menu for their cannibal and depraved customers the new slums of Paris Rome and Berlin ruled by criminals a shemale Pope with her infamous court and a pedophile Governor watching excited his aquariums of biomechanical heretic creatures inside the Red Area of the New Wall So strap on your seatbelt move past moral mercy and standard food and get ready to be ejected at high speed towards the New World waiting for you Year's Best Hardcore Horror Volume 6 Randy Chandler, Cheryl Mullenax, 2021-05-21 WELCOME TO THE MASQUERADE 2020 was a reality horror show And like most obnoxious entertainment reality shows this one had its own idiosyncratic rules and penalties Call it The Big Lockdown We were forced to go to ground to hide in our holes Some went underground and never came back Uncertainty ruled because the rules kept changing Were we following the science or the mad scientists Was the light at the end of the tunnel the fiery mouth of hell We couldn't say for sure so we ventured out for food booze and sundries like scavengers in a slow motion apocalypse keeping our distance from fellow human beings because you never knew who might be carrying that heavy viral load And everywhere we went we went behind the mask So it became obvious The theme of our offering of extreme horror tales from 2020 had to be Masquerade Our masquerading storytellers

nevertheless did what they do best They went deep into the belly of the beast and sent up fictions reflective of these trying times Their stories peel away the masks or in some cases the skin to reveal the inner workings of darkest hearts and minds and deeper fears

"Sluts" on the Small Screen Libbie Searcy,2024-02-06

Viewers spend years laughing crying celebrating and mourning with their favorite TV characters but when those characters are promiscuous women different viewers may have very different reactions Both sexual freedom and sexual shame run deep in the cultural waters so as TV s promiscuous female characters navigate those choppy waters what unfolds onscreen reflects and ultimately shapes perceptions of promiscuous women as liberated and adventurous damaged and destructive or even sick and gross This work examines fifteen promiscuous female characters and identifies trends in those portrayals from what motivates their promiscuity to the reproaches they face the revelations they have and the redemption it seems they must undergo as a result of their slutty ways This book aims not to promote promiscuity but to fight against the stigmatization of promiscuous women which is a fight against puritanical patriarchy that benefits everyone
