High Definition Commentary Romans:

High Definition Commentary: Romans Steven E. Runge, 2014 Study Paul's letter to the Romans with a new kind of commentary In this volume of the High Definition Commentary series linguist Steven E Runge leverages his expertise in discourse analysis to help you understand Paul's presentation of the gospel You'll follow the flow and structure of Romans tracing literary and linguistic clues that help identify each passage's big ideas Stunning graphics visually articulate these ideas and personal illustrations will help you apply them The High Definition Commentary series helps you discover insights that were once out of reach Each volume analyzes plot twists shocking moments and the development of ideas Study the Bible as it's always been in a whole new way

High Definition Commentary Steven E. Runge, 2013-11 The High Definition Commentary series is practical and accessible Each volume combines analysis of the biblical book's plot twists shocking moments and climax with professional graphics to offer a Bible commentary in high definition In High Definition Commentary Philippians Dr Steven Runge leverages his linguistic knowledge to explain how Paul helped the Philippian church deal with interpersonal conflicts and grow in their relationship with God Runge traces the linguistic and literary clues that identify each passage's big ideas Using jargon-free exposition he walks you through Philippians' flow and development Personal illustrations and stories help you understand what each concept looks like in practice Then the custom artwork brings it all together helping make Paul's message applicable and memorable The result a commentary that perfectly blends a linguist's understanding of the Bible with passion application and art

Key Features Fully customized graphics perfect for teaching 2-3 images for each Scripture section Expository commentary based on discourse analysis Praise for Steven Runge Steven Runge has made a valuable contribution to the revolution in discourse linguistics by his insightful analysis of each New Testament book in his *Discourse Grammar of the Greek New Testament* Now he has taken the next step and provided a theoretical base for his applications in *Discourse Grammar of the Greek New Testament* I commend his pioneering work for serious consideration by all New Testament students and scholars I have always been interested in any type of analysis that will help me understand the New Testament better *Discourse Grammar of the Greek New Testament* has helped me to do just that Dr William Varner Professor of Greek Exegesis The Masters College

Romans and the Mission of God Mark J. Keown, 2021-12-23 Romans is a missional document Yet strangely while many recognize the missional aspects of Romans few monographs are totally devoted to unpacking Romans from a missional perspective Romans and the Mission of God does this very thing Part one explores the background of the letter with an eye to positioning Romans in the story of the mission of God the apostle the Roman world and the early church Part two considers how Romans is a contextually shaped presentation of the gospel A range of other aspects of the way in which Paul shapes his message for the Romans are explored including salvation history metaphors and rhetorical techniques and aspects of the letter including elements opposed to God salvation ideas human response ethics and Christian living and the eschaton Part three delves into issues that arise in Romans that are

important for contemporary mission These include such things as the cosmic scope of the mission the gospel as the power of salvation who does evangelism the miraculous social justice ecology social transformation generosity and hospitality God s sovereignty and human volition prayer the State culture Israel apologetics and theological thinking This is a must read for those serious about Paul Romans and God s mission **Textual Signposts in the Argument of Romans** Sarah H.

Casson,2019-07-30 A fresh look at the development of Paul s argument in Romans The Greek word gar occurs 144 times in Romans and 1 041 times in the entire New Testament However many instances of this connective defy easy definition and the English translation for is often inadequate obscuring the clue that gar gives to the direction of the communicator s thought In this ground breaking work Sarah H Casson argues that gar offers vital guidance to the coherence of Romans The book applies the cognitive approach of relevance theory to show how gar functions as an indispensable guide for tracing the significant points of Paul s argument helping resolve questions about the coherence of sections as well as smaller scale exegetical problems The work engages with key debates regarding the purpose of Romans and challenges some recent influential interpretations Features An exegetically useful understanding of the connective gar A new method for determining Paul s audience and reason for writing A challenge to recent key debates and influential interpretations of the purpose of Romans

Linguistics and New Testament Greek David Alan Black,Benjamin L. Merkle,2020-10-27 This work offers students the most current discussion of the major issues in Greek and linguistics by leading authorities in the field Featuring an all star lineup of New Testament Greek scholars including Stanley Porter Constantine Campbell Stephen Levinsohn Jonathan Pennington and Robert Plummer it examines the latest advancements in New Testament Greek linguistics making it an ideal intermediate supplemental Greek textbook Chapters cover key topics such as verbal aspect the perfect tense deponency and the middle voice discourse analysis word order and pronunciation The Greek Verb Revisited Steven E.

Runge,Christopher J. Fresch,2016-11-02 For the past 25 years debate regarding the nature of tense and aspect in the Koine Greek verb has held New Testament studies at an impasse The Greek Verb Revisited examines recent developments from the field of linguistics which may dramatically shift the direction of this discussion Readers will find an accessible introduction to the foundational issues and more importantly they will discover a way forward through the debate Originally presented during a conference on the Greek verb supported by and held at Tyndale House and sponsored by the Faculty of Divinity of Cambridge University the papers included in this collection represent the culmination of scholarly collaboration The outcome is a practical and accessible overview of the Greek verb that moves beyond the current impasse by taking into account the latest scholarship from the fields of linguistics Classics and New Testament studies **Themelios, Volume 43, Issue 3** D.

Gundry, 2011-11-01 Delve Deeper into God's Word In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today's readers Paul's letter to the Romans has been appropriately termed the cathedral of the Christian faith Gundry's commentary on this profound book will help readers grasp one of the most valued parts of Scripture Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's nontechnical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations This selection is from Gundry's Commentary on the New Testament

The Psychology of the Fruit of the Spirit Zoltán Dörnyei, 2022-11-01 For centuries the fruit of the Spirit has rightfully served as a wellspring of reflection on the virtues that epitomize the Christian life and character building However the notion of the fruit of the Spirit is not limited solely to forming the biblical foundation of ethical living Psychologist and theologian Zoltán Dörnyei argues that if we understand the nine attributes collectively as a concise portrayal of the ideal Christian self this approach places the notion of the fruit of the Spirit at the intersection of several important theological themes such as being conformed to the divine image the gradual advancement of the kingdom of God and new creation In *The Psychology of the Fruit of the Spirit* Dörnyei offers a scholarly exposition of the relevant theological content associated with the fruit of the Spirit Complementing his theological reflections with findings from the field of psychology he brings expertise in both psychology and theology to bear on this important biblical concept His integrated perspective helps to uncover the full meaning and theological potential of the fruit of the Spirit by helping to clarify the nature of its nine facets defining broader psychological dimensions that underlie the fruit and offering practical lessons for cultivating it in the Christian life
