Policy Number:	HIPAA -C-0015	Effective Date:	04/01/03
Purpose:	This policy sets forth a set of guidelines for a progressive discipline process to be followed when an employee evidences improper adherence to Butler County's policies related to the use and disclosure of PHI.

- What must be done to correct the inappropriate behavior and an improvement plan with a time line for its accomplishment
- Consequences if improvement does not occur

The progressive discipline process is meant to assist the workforce member in recognizing the seriousness of their behavior and encouraging their commitment to changing these behaviors. In many situations, informal counseling will be utilized by the supervisor after consultation, as appropriate with Human Resources, and the Privacy Officer or Security Officer to resolve issues prior to the formal corrective action process. The Privacy Officer or Security Officer will also thereby determine if the behavior in question must be reported as a HIPAA violation.
