His Majesty's U-boat Douglas Reeman, 1973 **His Majesty's Submarines** ,1997 **The Kaiser's U-Boat Assault on America** Hans Joachim Koerver, 2021-10-01 An absorbing work for those interested in both the Great War and early submarine based strategic theory Naval History This deeply researched and engaging account of the use of U Boats in the First World War focuses on both diplomatic and economic aspects as well as the tactical and strategic use of the U boats The book also examines the role played by US president Woodrow Wilson and his response to American shipping being sunk by U boats and how that ultimately forced his hand to declare war on Germany Includes photos and illustrations An excellent illumination of a multiclass militaristic and diplomatically inept state trying to adapt to the realities of modern war and the exploitation of new technology and catastrophically failing Naval History Highly recommended The Northern Mariner

His Majesty's Airship S C Gwynne, 2024-05-21 The tragic story of the British airship R101 which went down in a spectacular hydrogen fueled fireball in 1930 killing more people than died in the Hindenburg disaster seven years later has been largely forgotten In *His Majesty's Airship* historian S C Gwynne resurrects it in vivid detail telling the epic story of great ambition gone terribly wrong Airships those airborne leviathans that occupied center stage in the world in the first half of the twentieth century were a symbol of the future R101 was not just the largest aircraft ever to have flown and the product of the world's most advanced engineering she was also the lynchpin of an imperial British scheme to link by air the far flung areas of its empire from Australia to India South Africa Canada Egypt and Singapore No one had ever conceived of anything like this R101 captivated the world There was just one problem beyond the hype and technological wonders these big steel framed hydrogen filled airships were a dangerously bad idea Gwynne's chronicle features a cast of remarkable and often tragically flawed characters including Lord Christopher Thomson the man who dreamed up the Imperial Airship Scheme and then relentlessly pushed R101 to her destruction Princess Marthe Bibesco the celebrated writer and glamorous socialite with whom he had a long affair and Herbert Scott a national hero who had made the first double crossing of the Atlantic in any aircraft in 1919 eight years before Lindbergh's famous flight but who devolved into drink and ruin These historical figures and the ship they built flew and crashed come together in a grand tale that details the rocky road to commercial aviation written by one of the best popular historians writing today

His Majesty's Sailor and the Girl in the Blue Coat Michael D Gilston, 2024-04-22 It's the fall of 1942 and the Second World War rages on The skies above Britain and the oceans around her are a battleground German bombers target cities like Liverpool and Crewe while U Boats and warships prowl the waters between England and France Ten year old Evelyn Jackson and her parents live on rations waiting for the sounds of the air raid sirens above them and wondering what will come of their far flung family in times of war Eve stands tall through bombings and evacuations through an unfair beating and a paralyzing illness and survives with her smile and her generous heart still intact Meanwhile one of her uncles Submariner Dominic King serves aboard HMS Tuna Dominic the boats

Helmsman and along with the crew were under constant threat of German U Boats and aircraft as they complete their ever demanding war patrols From delivering Marine Commandos off the coast of France to protecting the Arctic Convoys in the north Atlantic Acting Leading Seaman Dominic King would go on to be awarded the Distinguished Service Medal by King George VI at Buckingham Palace for his bravery and courage while under fire In events in their lives would bring them both together at the edge of the war Many families have stories like this from mothers and grandmothers this one is Michael s His Majesty s Sailor and the Girl in the Blue Coat presents heartfelt historical fiction based on real events and stories passed down from the people who were there
