your own horse on your own property Judging Hunters and Hunter Seat Equitation Anna Jane White-Mullin, 2022-04-15
 Your key to success in the hunter and equitation ring from one of the sport's classic judges and competitors completely revised for today's rider. Revised and updated with the most current USEF rules and tests. Judging Hunters and Hunter Seat Equitation by Maclay winner and former R judge Anna Jane White Mullin is the world's favorite book on how to judge hunter show competitions and understand exactly how they are judged. This must-have resource gives anyone competing in or judging hunter or equitation classes the edge with professionally reviewed and approved sections that examine Conformation, structural composition, physical defects versus blemishes, Hunters Under Saddle and Over Fences, length of stride, frame and straightness, rhythm, transitions, impulsion and bending, locomotion and form, faults, honest and dishonest horses, Equitation on the Flat and Over Fences, rider position, cadence, collection and lengthening, approaching fences and in the air, USEF tests. Written with both the aspiring judge and the avid competitor in mind, the book offers invaluable explanations of what judges look for as well as the training methods necessary to accomplish the desired results. More than 100 color photographs with top equestrians in the tack demonstrate correct and incorrect positions in both horses and riders, sharpening the reader's eyes while also providing an unparalleled foundation of knowledge that makes self-correction in the saddle possible. In addition, readers will find a primer on both understanding and completing the Judge's Card with explanations of numerical scoring, terminology, abbreviations, symbols, comments and general impressions. This remarkably complete two-in-one reference can be the difference in your success whether in the ring or in the judge's box Catch Rider Jennifer H. Lyne, 2013. Despite her poor background and ferocious competition from more privileged girls, fourteen-year-old Sid pursues her dream of becoming a catch rider, a show rider who can ride anything with help from her Uncle Wayne **The Liminal Horse** Rena Maguire, Anastasija Ropa, 2021-12-31. The historical horse is at once material and abstract as is the notion of the border. Borders and frontiers are not only markers delineating geographical spaces but also mental constructs; there are borders between order and disorder, between what is permitted and what is prohibited. Boundaries and liminal spaces also exist in the material, economic, political, moral, legal and religious spheres. In this volume, the contributing authors explore the theme of the liminality of the horse in all of these historical arenas, asking how does one reconcile the very different roles played by the horse in human history Catalog of Copyright Entries.
