Educating English Learners Joyce W. Nutta,Carine Strebels,Kouider Mokhtari,Florin M. Mihai,Edwidge Crevecoeur Bryant,2020-07-29 In *Educating English Learners* Joyce W Nutta and her colleagues offer practical tools for helping schools and teachers successfully integrate English learners into mainstream classrooms Drawing on the One Plus model presented in their award winning book *Preparing Every Teacher to Reach English Learners* the authors now turn their attention to the needs of K 12 teachers who typically have two or three English learners in their classrooms English learners are not a homogenous group and the challenges they face vary tremendously Nutta and her colleagues present protocols and case studies to help pre service and in service teachers understand the needs of English learners in their classrooms and differentiate instruction and assessment accordingly Woven throughout the book are the stories of Gero Edith Tasir and Edgar four case study students of different ages backgrounds and levels of English proficiency The authors show how the protocols they provide can be applied to adapt sample lessons for students like these across a range of grade levels subject areas and pedagogical approaches Finally the authors show how the system can be applied school wide for a collaborative approach to meeting English learners needs **The Education of d/Deaf and Hard of Hearing Children** Peter V. Paul,2020-02-12 A significant number of d Deaf and hard of hearing d Dhh children and adolescents experience challenges in acquiring a functional level of English language and literacy skills in the United States and elsewhere To provide an understanding of this issue this book explores the theoretical underpinnings and synthesizes major research findings It also covers critical controversial areas such as the use of assistive hearing devices language and literacy assessments and inclusion Although the targeted population is children and adolescents who are d Dhh contributors found it necessary to apply our understanding of the development of English in other populations of struggling readers and writers such as children with language or literacy disabilities and those for whom English is not the home language Collectively this information should assist scholars in conducting further research and enable educators to develop general instructional guidelines and strategies to improve the language and literacy levels of d Dhh students It is clear that there is not a one size

fits all concept but rather research and instruction should be differentiated to meet the needs of d Dhh students It is our hope that this book stimulates further theorizing and research and most importantly offers evidence and reason based practices for improving language and literacy abilities of d Dhh students *Understanding-Oriented Pedagogy to Strengthen Plagiarism-Free Academic Writing* Yin Zhang,2024-02-21 This book discusses the plagiarism free academic writing in higher education It demonstrates how to orchestrate an understanding oriented pedagogy including the teaching of plagiarism and source use in order to facilitate plagiarism free academic writing among undergraduates by revealing studies in China This book emphasizes that plagiarism is a mere symptom of educational problems and plagiarism urgently needs education based solutions instead of punish solutions It highlights that students meaningful understandings of plagiarism and source use should be identified as the main learning objectives of plagiarism instruction as well as features the adoption of plagiarism instruction in academic writing practices in subject courses It also focuses on the potentials of Information and Communication Technology ICT in scaffolding learning and teaching under plagiarism pedagogy beyond merely detecting plagiarism This book also contributes to the discussion about the validity of current plagiarism assessment scales by providing evidences to challenge them and proposing a new one This book is of great benefits for readers to increase knowledge and promote positive attitudes toward plagiarism and plagiarism instruction It adds to our knowledge of how plagiarism in higher education can be effectively prevented by adopting an understanding oriented pedagogy It also adds to our knowledge of how Chinese undergraduates and their instructors view plagiarism and cope with plagiarism in discipline based courses which provides robust evidence for the academic debate about whether culture has effects on students plagiarism in academic writing Finally it provides insights about the relationship among plagiarism pedagogy and technology
