Samson Occom Ryan Carr, 2023-11-14 The Mohegan Brothertown minister Samson Occom 1723 1792 was a prominent political and religious leader of the Indigenous peoples of present day New York and New England among whom he is still revered today An international celebrity in his day Occom rose to fame as the first Native person to be ordained a minister in the New England colonies In the 1770s he helped found the nation of Brothertown where Coastal Algonquian families seeking respite from colonialism built a new life on land given to them by the Oneida Nation Occom was a highly productive author probably the most prolific Native American writer prior to the late nineteenth century Most of Occom's writings however have been overlooked partly because many of them are about Christian themes that seem unrelated to Native life In this groundbreaking book Ryan Carr argues that Occom's writings were deeply rooted in Indigenous traditions of hospitality diplomacy and openness to strangers From Occom's point of view evangelical Christianity was not a foreign culture it was a new opportunity to practice his people's ancestral customs Carr demonstrates Occom's originality as a religious thinker showing how his commitment to Native sovereignty shaped his reading of the Bible By emphasizing the Native sources of Occom's evangelicalism this book offers new ways to understand the relations of Northeast Native traditions to Christianity colonialism and Indigenous self determination
