sensational than the cantaloupe story I don't think that's possible. Like what? What they come up with relates directly to events on Earth a thousand years later when the paths of a host of memorable characters are curiously intertwined. Ostensibly a tale of two worlds, three if you consider New York separate from the rest of this one. Obviously Not Clairvoyant explores with humor and sentiment what it is to be human. **Katy Perry - The Teenage Dream** C. Duthel, 2012-03-06

The high school on the north side of Birchdale has been on an emotional roller coaster experience as fall was transitioning into winter. Just as the students were basking in the glory of their first state championship in football, they had to bear the devastating death of one of their most popular classmates. The passage of months has also brought about significant changes in the individual family and social lives of the young people, especially in the boy-girl relationships. Ted and Natalie, the shy couple whose security was their unswerving devotion to each other, is experiencing new strains as the beauty of Natalie's emerging physical maturity has catapulted her into the limelight of the most desired girls in the school. Jeff has been getting along quite comfortably with Gina, the second girlfriend of his teen years, but just when he thought that his first girlfriend Jill had faded out of his life, he unexpectedly encounters her again. His certain world is profoundly shaken as he realizes that the old feelings haven't really gone away for this girl who he once loved so crazily that he was certain he couldn't ever love anyone else. Yet returning to her presents as impossible since she has rejected him for three other guys and is pregnant by the last one, his younger brother. As conflict rages within his family over what to do about Jill, Jeff tries to focus on his studies and after-school job, only to get kidnapped by the school hoodlums and dragged into what is for him the scariest place on earth, the now-closed Old Century Inn. If he gets out of there alive, he may still have to prove that he was not the perpetrator in the breaking and entering of the building. A few secrets of the ancient hotel have been revealed, but the teenage boys who worked there and the young thugs that break into it find yet more puzzling mysteries to ponder, not the least of which is whether the building is haunted. **Dead Catch** Cary J. A murdered conservation officer and a multi-million-dollar poaching business: how are they connected to Sam Rivers' childhood friend Holden Riggins, an expert outdoorsman and a known poacher? He's made a small fortune by exploiting nature's bounty. So it's no surprise when two conservation officers (COs) from the Department of Natural Resources come upon Holden's fishing boat anchored beside an illegal walleye net. What is a

surprise though is Holden's condition nearly frozen to death on the bottom of his boat That's not the COs most shocking discovery Twisted and tangled within the twines of another nearby net is the dead body of their missing colleague After the COs save Holden from the icy grip of hypothermia the suspected murderer refuses to answer questions The only person he'll speak with is Sam Rivers a man he last saw when they were 12 years old Since then Holden has become a known scofflaw and ex con using wilderness and everything in it for his ill gotten gains Sam has become a special agent for the US Fish Wildlife Service hunting capturing and incarcerating criminals like his childhood friend Throughout the state's finest walleye lakes the population of Minnesota's most prized game fish has been unaccountably dropping Holden's net might explain why Has he resurrected his illegal netting ring cashing in on the state's 25 million walleye industry Did he commit murder to evade the law One thing is certain Sam will follow the facts wherever they lead but is he the one reeling in suspects or is he just the bait Natural history writer Cary J Griffith brings back Sam Rivers for his fourth outdoors themed mystery a suspenseful novel filled with fast paced action
