Language and the Law Douglas A. Kibbee, 2016-07-25 Language policy is a topic of growing importance around the world as issues such as the recognition of linguistic diversity the establishment of official languages the status of languages in educational systems the status of heritage and minority languages and speakers legal rights have come increasingly to the forefront One fifth of the American population do not speak English as their first language While race gender and religious discrimination are recognized as illegal the US does not currently accord the same protections regarding language discrimination on the basis of language is accepted and even promoted in the name of unity and efficiency Setting language within the context of America s history this book explores the diverse range of linguistic inequalities covering voting criminal and civil justice education government and public services and the workplace and considers how linguistic differences challenge our fundamental ideals of democracy justice and fairness **ENC Focus**, 2003 **A Race Against Time** James G. Cibulka, William L. Boyd, 2003-03-30 We are in a race against time to save urban children from educational failure and to reform urban school systems before people give up on them The authors examine the effectiveness of three reform approaches systems reform mayoral influence and external state or federal intervention using case studies from seven large cities as well as state and national trends The social and economic transformation of large American cities after World War II laid the seeds for the crisis in urban education that has festered and grown since the 1950s Decades of appalling test scores and failure rates and of unsuccessful piecemeal efforts to improve urban education have led the public and policymakers to embrace radical solutions to reform Three approaches to the reform of urban school governance are discussed and analyzed using data from seven large cities Baltimore Boston Chicago Los Angeles Philadelphia Washington D C and New York national trends and a statewide analysis of Maryland s school accountability system The first approach systems reform focuses on improving the governance of urban education by overcoming policy fragmentation through standards for student performance student assessments and accountability among other things Strong mayoral roles offer a second reform approach that largely reverses the Progressive era reforms of the last century separating schools from city politics Its supporters believe urban mayors can restore accountability stability and political support for urban schools The third reform approach assumes that external intervention by federal or state authorities is needed to restore accountability and improve system performance **A Culturally Proficient Society Begins in School** Carmella S.
