Capturing the Pícaro in Words discusses the framing of the transient marginals of early modern Madrid in the literary pícaro
It compares the perceptions of constables shopkeepers and criminals to those of mass produced literary representations and
argues that the literary representations displaced the pícaro assigning the marginals different places in the literary texts in
order to centralise the problem of urban vagrancy The texts spanned the pícaro thus establishing the image of a culturally
homogenous group and lastly silenced the pícaro under representing the power marginals in the city derived from their
