Gay and Lesbian Elected Officials winner of the Victory Foundation Civic Leadership Award is a quick reference to the most comprehensive list of the country's openly gay and lesbian officials. You'll read about 14 of these representatives in greater depth, getting to know them personally and professionally. Trailblazers identifies representatives from local, state, and national levels from all over the country. In each profile, you'll examine the relationship between the elected official and his or her constituency. You'll also explore public reactions to openly gay and lesbian politicians, some of whom are also ethnic minorities, and how this affects the job that they do. Trailblazers offers an in-depth personal look at the lives of some of the politicians involved in the history of gay and lesbian activism over the last 20 years. Specifically, you'll read about the lives of Tina Podloski, a lesbian mother and Seattle Councilwoman; Tom Duane, a New York Councilman with HIV; Sabrina Sojourner, an African American lesbian shadow representative in Washington, DC; William Weybourn, the founder of the Gay and Lesbian Victory Fund, which helps to elect gay and lesbian candidates to public office; and Jose Plata, a gay Hispanic Dallas School Trustee. In addition to giving you keen insight into the lives of these officials, Trailblazers can help you if you decide to run for election, putting a checklist of campaign dos and don'ts at your fingertips. An enlightening book about the private and public achievements of our gay and lesbian politicians, Trailblazers is a valuable addition to any personal or professional library.

The Barbarians Are Here Michael Youssef, 2005-04-08 For decades, Americans were vaguely aware that Islamist barbarians were in the deserts of the Middle East and in the mountains of Afghanistan and Pakistan, executing infidels and raiding villages with unrecognizable names. But the Muslim world seemed far away, remote, and irrelevant to our daily lives. Then came the terrorist attacks of 9/11, followed by attacks at Fort Hood, the Boston Marathon, San Bernardino, and more. Now terrorists seem to be emerging everywhere, unleashing senseless death and destruction on our nation. They are here, and their goal is nothing less than global conquest. Motivated by ancient prophecies, they are flooding into Western countries, determined to conquer our countries and establish a global Muslim caliphate. In *The Barbarians Are Here*, Dr. Michael Youssef provides clear insight into the motives and mission of the Islamic extremists. He offers practical steps we can take right now to begin a New Reformation that will restore the hope of Western civilization. It's not too late. We are not doomed to destruction, even though the barbarians are already here. But we haven't a moment to lose. Let this book shape how you think, pray, and take the Gospel to the ends of the earth. R. Albert Mohler Jr., President of The Southern Baptist Theological Seminary. I want every American, every citizen, and every member of my family to read this book. It is foolhardy not to.
