South African national bibliography, 1999 Classified list with author and title index **Nathan Jacobson Collected Mathematical Papers** N. Jacobson, 2013-06-29 This collection contains all my published papers both research and expository that were published from 1934 to 1988 The research papers arranged in chronological order appear in Volume I and II and in the first part of Volume III The expository papers which are mainly reports presented at conferences appear in chronological order in the last part of Volume III Volume I covers the period 1910 to 1947 the year I moved to Yale Volume II covers the period 1947 to 1965 when I became Chairman of the Department at Yale and Volume III covers the period from 1965 to 1989 which goes beyond my assumption of an emeritus status in 1981 I have divided the time interval covered in each volume into subintervals preceded by an account of my personal history during this period and a commentary on the research papers published in the period I have omitted commentaries on the expository papers and have sorted out the commentaries on the research papers according to the principal fields of my research The personal history has been based on my recollections checked against written documentation in my file of letters as well as diaries One of these was a diary I kept of my trip to the USSR in 1961 the others were diaries Florie Florence kept during other major visits abroad I have also consulted Professor A W Tucker on historical details on Princeton during the 1930 s Assessing Academic Literacy in a Multilingual Society Albert Weideman, John Read, Theo du Plessis, 2020-11-02 South African universities face major challenges in meeting the needs of their students in the area of academic language and literacy The dominant medium of instruction in the universities is English and to a much lesser extent Afrikaans but only a minority of the national population are native speakers of these languages Nine other languages can be media of instruction in schools which makes the transition to tertiary education difficult enough in itself for students from these schools The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students not in order to exclude students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience Proceedings of the 3rd International Conference on Sustainability in Civil Engineering Thanh Bui-Tien, Long Nguyen Ngoc, Guido De Roeck, 2021-04-27 This book contains the proceedings of the 3rd International Conference on Sustainability in Civil Engineering ICSCE 2020 held on 26 27 November 2020 in Hanoi Vietnam It presents the expertise of scientists and engineers in academia and industry in the field of bridge and highway engineering construction materials environmental engineering engineering in industry 4 0 geotechnical engineering structural damage detection and health monitoring structural engineering geographic information system engineering traffic transportation and logistics engineering water resources estuary and coastal engineering **U.S. Foreign Policy** Steven W. Hook, 2015-12-18 The same aspects of American government and society that propelled the United States to global primacy have also

hampered its orderly and successful conduct of foreign policy This paradox challenges U S leaders to overcome threats to America s world power in the face of fast moving global developments and political upheavals at home The fully updated Fifth Edition of Steven W Hook s U S Foreign Policy The Paradox of World Power explores this paradox identifies its key sources and manifestations and considers its future implications as it asks whether U S foreign policymakers can manage these dynamics in a manner that preserves U S primacy

Sick Schools David V. Anderson,2020-01-10 Who s afraid of for profit education Those who work in non profit or government owned and operated schools Many parents and other stakeholders have been made fearful by this education establishment What s more important to humans nutrition or education Nutrition is more important because it is the prerequisite for other human activities including education What organizations provide food and who pays for the food Food is provided by for profit farmers for profit processors for profit wholesalers and for profit retailers Most food is purchased with the consumers own money but a significant amount is purchased by low income individuals using food stamps Why can t education be provided similarly using education stamps We trust for profit enterprises to provide our food Why can t we trust for profit enterprises to provide K 12 education Fearmongers have frightened us and made us into gullible compliant socialists who despise commercial activities in education Go to the supermarket and ponder its marvelous array of foods and then contemplate how a for profit K 12 education sector would please and amaze its customers

Centering Multilingual Learners and Countering Raciolinguistic Ideologies in Teacher Education Jeff Bale,Shakina Rajendram,Katie Brubacher,Mama Adobea Nii Owoo,Jennifer Burton,Wales Wong,Yiran Zhang,Elizabeth Jean Larson,Antoinette Gagné,Julie Kerekes,2023-09-12 This book details a three year multi stranded study of teacher education programs that prepare future teachers to work with multilingual learners The book examines how racism and linguisticism collaborate to shape the conditions under which teacher candidates learn how to teach The analysis traces dynamic shifts in thinking and practice as participants reflected on their personal professional and academic experiences in relation to formal curriculum and assessment policies to interpret what it means to work with multilingual learners in the classroom The book offers guiding principles above all learning from multilingual learners not only about them and presents a suite of teacher education practices to disrupt the interplay of language and race that so deeply shapes teacher candidate learning about multilingual learners
