Merry Wishes A Whispered Wishes Novella:

The Christmas Wish Melinda Curtis, 2019-11-26 It's beginning to look a lot like Christmas in this Sunshine Valley novella from USA Today bestselling author Melinda Curtis that will appeal to fans of RaeAnne Thayne and Sheila Roberts. Everyone in Sunshine Valley, Colorado, is in the Christmas spirit except for Everett Bollinger, the new town manager. With money tighter than ever, Everett has had to make some tough decisions about the local holiday celebration. And taking the blame has put him in a very unfestive mood. Rosalie Reyes has big plans to open her new pet shop during the Christmas parade. But it seems like Everett is determined to sabotage the parade and her business too. With the help of the local matchmakers and a rambunctious Saint Bernard named Remy, Rosalie is about to unleash the town's holiday cheer and make it a paw-sitively amazing Christmas for all. Including a certain town manager who's about to discover the reason for the season is love. 25,000 words.

Mortal Wish Tina Folsom, 2015-10-09 Jake Stone arrives on a secluded island drawn by whispers of a magical spring, his desperate singular hope. As a vampire, he craves just one thing: mortality. Eons of unfulfilling, lonely existence have left him weary, yearning for the simple release of an end. But the island holds another soul on the brink: Claire Culver. Her journey to this mystical place is a final, desperate gamble, a plea for a miracle to cure a terminal illness. For Claire, this Christmas might be her last. As their paths collide, two desperate wishes hang in the balance: Will the spring grant Claire the miracle she so desperately needs, or will this holiday season mark her final farewell? And can Jake, in his pursuit of mortality, find a reason to truly live again, even as a forbidden connection sparks between them? Where does this novella fit into the Scanguards timeline? It takes place several years before Samson's story kicks off the Scanguards Vampires series in San Francisco. With Samson's lovely mortal, well-loved Scanguards characters Gabriel Zane and Amaury will make an appearance in this short novella.

Lara Adrian, New York Times Bestselling Author of the Midnight Breed series, I'm addicted to Tina Folsom's books. The Scanguards series is one of the hottest things to happen to vampire romance. If you love scorching, fast-paced reads, don't miss this thrilling series.

ABOUT THE SERIES The Scanguards Vampires series is full of fast-paced action, scorching love scenes, witty dialogue, and strong heroes and heroines. Vampire Samson Woodford lives in San Francisco and owns a security/bodyguard company, Scanguards, which employs both vampires and humans. And eventually, some witches. Throw in a few immortal guardians and demons later in the series, and you'll get the drift. Each book can be read as a standalone and always centers around a new couple finding love, but the series is more enjoyable when read in order. And, of course, there are always a few running jokes you'll understand when you meet Wesley, a wannabe witch.

Short Stories and Novellas Ismael Casiano Jr., 2010-07 Short Stories and Novellas is an experiment in form and structure that seeks to glean beauty and continuity out of the rhythms inherent in the patterns of our unique and individual experiences and methods of finding understanding in what we read The short stories and novellas could be the lives of the lovers that the distinctive voice of what could be a narrator or not patterns into songlike rhythms or they could represent a hint as to how we are to understand this work of fiction and ultimately the varying experiences composing our own lives Whether Short Stories and Novellas is Fiction Memoir Philosophy or Religion seems to matter less than that it is a poetic effort And as such we are at a point where we can either entirely dismiss such efforts at turning our worlds upside down or we can submit to the quest put forward of letting beauty finally speak for itself in the midst of chaos
