Greyhound racing emerged rapidly in Britain in 1926 but in its early years was subject to rabid institutional middle class opposition largely because of the legal gambling opportunities it offered to the working class Though condemned as a dissipate and impoverishing activity it was in fact a significant leisure opportunity for the working class which cost little for the minority of bettors involved in what was clearly little more than a bit of the flutter This book is the first national study of greyhound racing in Britain from its beginnings to its heyday in the 1930s and 1940s and up its long slow decline of the late twentieth century Much of the study will be defined by the dominating issue of working class gambling and the bitter opposition to both it and greyhound racing although the attractions of this American Night Out will also be examined

Who Wants It? Chris Henderson, Colin Ward, 2012-05-25 Chris Henderson formed the Chelsea Headhunters who later earned a reputation as the most dangerous fans in Britain as well as the band Combat 84 who with their punk attitude and uncut Orwellian lyrics represented the antithesis of middle class England After the jailing of Stephen Hickey Hickmott Henderson organised a gang of Chelsea fans who travelled to matches by luxury coach with the aim of causing havoc and destruction They were finally arrested and their subsequent trial was meant to be the crowning glory of Thatcher's campaign to vanquish hooliganism Instead the dramatic collapse of the case sounded the death knell for all the undercover police operations and mass indiscriminate arrests that had been ordered by the authorities to squash the activities of Henderson and others The Ministry continued to pursue Henderson and prior to the 2002 World Cup he and Hickmott were named as the two leaders planning hooligan and criminal acts for the tournament in South Korea and Japan which culminated in Henderson being arrested and refused entry to Japan for the England v Argentina match Told in Henderson's exact words this is the dramatic story of an era of music and football when how you looked counted as much as how you performed With its depiction of events surrounding South Korea Japan 2002 **Who Wants It** also shows how the scourge of hooliganism continues to blight the beautiful game today
