communication race ethnicity and gender **otherwise you well?** Richard Fox,2021-07-21 Richard Fox was born in Cape Town in 1975 He lives in Johannesburg and runs the T shirt company Tshirt Terrorist otherwise you well is his second book of poems following 876 published in 2007 **Yayaati** Mahesh Vaze,2020-01-13 Reviews The sardonic personality of the author is reflected in his writing A treasure trove of information has brightly illuminated the frame of reference of the characters I loved the book it s an easy read and yet the author offers original insights into our social and cultural idiosyncrasies Like they say in our profession strongly recommend R Srinivasan Head of Equity SBI Mutual Funds A lucid and at times provocative narration of the life of an investment professional with some desi colour that provides a ringside view of an exhilarating milieu in Indian economy The unique style of the author makes each character in the story come alive Mahesh Patil Co Chief Investment Officer Birla Mutual Fund About the book When Yayaati a pre millennial small townner takes up a stockbroking job in Mumbai after his MBA little does he know what the future has in store for him The turmoil and turbulence of the Indian stock market narrated by Yayaati named after a character from the Mahabharat takes you through a roller coaster of emotions Fiction and reality intertwine and the reader experiences what it must have been like to be in a high voltage electrifying environment that changes and influences the protagonist s life in myriad ways Power sex drugs it s all here and more And at its height Yayaati throws it all away Or does he Yayaati is not a hero but he is not a villain either The author shows a mirror to The Yayaati Generation and forces them to think about the choices they have made Most of the character names are allegorical some ironically so At a higher level the text is a treasure hunt with varied references buried within The author attempts to both amuse and annoy the reader sometimes simultaneously *The Late Hector Kipling* David Thewlis,2007-11-06 Hector Kipling is a famous artist But Hector is not as famous as his best friend Lenny Snook And as they are standing in the Tate Gallery one afternoon Hector s life begins to unravel For a painter this existential crisis is the place from which great art is born If the painter happens to be a forty three year old man with a girlfriend away from home it is the recipe for disaster Soon it s all Hector can do to keep it together between his therapist who shows up drunk at a party and introduces herself to his parents an irresistible young female poet with a terrifying taste for S M and a deranged stalker with an oil and canvas inspired vendetta just trying to cope is enough to make a man cry As the events in his life threaten to drive him toward full blown dementia Hector finds himself in a bizarre and murderous pursuit of a man threatening to kill him in return spiraling into a hysterically surreal Hitchcocklike thriller the story of how a man can become desperate enough to shoot his way out of a midlife crisis At turns warm witty and joyfully absurd David Thewlis s wicked comedy marks the debut of a savagely funny and observant literary talent Cinematography Patrick Keating,2014-07-18 How does a film come to look the way it does And what influence does the look of a film have on our reaction to it The role of cinematography as both a science and an art is often forgotten in the chatter about acting directing and budgets The successful cinematographer must have a keen creative eye as well as expert knowledge about the constantly expanding array of new camera film and

lighting technologies Without these skills at a director's disposal most movies quickly fade from memory Cinematography focuses on the highlights of this art and provides the first comprehensive overview of how the field has rapidly evolved from the early silent film era to the digital imagery of today The essays in this volume introduce us to the visual conventions of the Hollywood style explaining how these first arose and how they have subsequently been challenged by alternative aesthetics In order to frame this fascinating history the contributors employ a series of questions about technology how did new technology shape cinematography authorship can a cinematographer develop styles and themes over the course of a career and classicism how should cinematographers use new technology in light of past practice Taking us from the hand cranked cameras of the silent era to the digital devices used today the collection of original essays explores how the art of cinematography has been influenced not only by technological advances but also by trends in the movie industry from the rise of big budget blockbusters to the spread of indie films The book also reveals the people behind the camera profiling numerous acclaimed cinematographers from James Wong Howe to Roger Deakins Lavishly illustrated with over 50 indelible images from landmark films Cinematography offers a provocative behind the scenes look at the profession and a stirring celebration of the art form Anyone who reads this history will come away with a fresh eye for what appears on the screen because of what happens behind it

Bad New Days Hal Foster, 2015-09-08 *Bad New Days* examines the evolution of art and criticism in Western Europe and North America over the last twenty five years exploring their dynamic relation to the general condition of emergency instilled by neoliberalism and the war on terror Considering the work of artists such as Thomas Hirschhorn Tacita Dean and Isa Genzken and the writing of thinkers like Jacques Rancière Bruno Latour and Giorgio Agamben Hal Foster shows the ways in which art has anticipated this condition at times resisting the collapse of the social contract or gesturing toward its repair at other times burlesquing it Against the claim that art making has become so heterogeneous as to defy historical analysis Foster argues that the critic must still articulate a clear account of the contemporary in all its complexity To that end he offers several paradigms for the art of recent years which he terms abject archival mimetic and precarious
