scholars in the early church The efficacy of Prayer has been the subject of several scientific research projects debates and conflicts for many years What sort of evidence would prove the efficacy of prayer Several studies have been generated as researchers try to discover the legitimacy of the belief that prayer is effective The overall aim of the project is to investigate and explore the effectiveness of prayer Discover who or what inspires prayer and what is the necessity of faith when we pray I believe the efficacy of prayer is a reasonable subject of study and one which is appropriate for a person of faith or someone considering a vocation in Christian ministry The evidence that would prove the efficacy of prayer begins with believing or having faith in God This means that we decide to accept the teachings of Scripture without regard to reason or logic The second point I would like to make regarding faith is that faith is a gift Therefore if anyone is to call upon the name of Jesus Christ faith must be given to them Faith is imparted by the Holy Spirit to the spiritually made alive sinner Acts 3 verse 16 says all faith in Christ is faith that has come from and through Christ Hebrews 12 verse 2 says Jesus is the author and perfecter finisher of faith The believer s faith must be anchored in Jesus Christ Philippians 1 29 says it s been granted unto us to believe in Jesus Christ So all faith in Christ originates in Christ Himself He must grant this faith and He grants it to those who have been chosen by God from before the foundation of the world Second Peter 1 1 says faith must be given asklioniervm ligonier org God will give revelation whenever and to whomever He chooses As Christians living according to the word of God this is a path that we must all walk in order to discover Christ s plans for our lives In fact St Paul known as one of the greatest apostles of all times wrote If by any means I might attain unto the resurrection of the dead not as though I had already attained either were already perfect but I follow if that I may apprehend that for which also I am apprehended of Christ Jesus Brethren I count not myself to have apprehended but this one thing I do forgetting those things which are behind and reaching forth unto those things which are before I press toward the mark for the prize of the high calling of God in Christ Jesus Phil 3 7 14 We are changed transformed daily by the word of God There are several powerful two word phrases found in the World as well as the word of God Phrases such as Healed all gathered in cast out raised up and pulled down Each of these phrases are used in context with the power of God However there is one phrase used 43 times in Scripture that causes my spirit to leap for joy every time I read it and that phrase is but God This small two word phrase communicates a tremendous message to all who will hear it It is God s response to Satan s challenge It is the bottom line It is the last word It is all over but the shouting But God when viewed in relation to the challenges of life is what up is to down life is to death in is to out Always remember that had it not been for this fact we would be like ships without sail when faced with the storms of life But God stands diametrically opposed to the negative roar of the world for example whenever the world says no God says yes The world says cannot but God says you can The world says you will not but God says you will The world says stop but God says go The world says do not but God says do The world says defeat but God says victory But God climbs the highest mountain traverses the darkest valley and sings songs of victory in the midnight hour to comfort His children Our

God is an awesome God He is courageous confident and conclusive and this is how we need to be also Secondly we should strive to be increasingly like Jesus This means taking off the old man s attributes or the old way of thinking and putting the new character designed by God Himself It means that each day should find us more reformed than the previous day redesigned in the nature of your maker You should never give up or give in if you believe in the power of God It doesn t matter how difficult the challenges may become if you put your trust in God you will survive I encourage you to keep on trusting God and believing that you will overcome all obstacles Persevere don t quit keep trusting with your consistent faith To persevere is to stay for the entire game do not rush off but wait until the last seconds of the clock tick until the home team has had its chance because by faith you will receive your victory I want to encourage and motivate with these words At this moment it may seem that the jury may still be out but that does not change the reality that God will work things in your favor Nothing will work against you because no weapon formed against you will prosper Nothing can ever separate you from the love of God Nothing happens unless God says so and in your situation while all the votes seem to be in relax because God has not had His final say yet In the bible there are many mysteries various instances where our adversary the devil is confounded and confused There are stories of his elaborate schemes going amiss because he failed to realize that God would always have the final say He had worked so hard to get everything exactly right yet just when he thinks he is victorious he hears But God Remember that God is faithful in all things and He will be gracious to you Please know that God will grant you strength and always show you mercy God takes the time to do everything right and all those who wait for him will renew their strength
