

Glory Movie Questions

1. How does the attitude of Colonel Robert Gould Shaw toward African-Americans change and why?

Colonel Shaw's attitude toward African-Americans changes over the course of the movie. At first, he is a white supremacist who believes that African-Americans are inferior to white people. However, as he spends more time with the 54th Massachusetts Infantry, he begins to see them as individuals and not just as a race. This change in attitude is what allows him to lead the regiment with respect and dignity.

2. What differences exist among the black soldiers who make up the 54th Massachusetts Infantry? What does this tell you about the different experiences of blacks in 19th-century America? What about their regions of origin, former status (enslaved), and educational background?

The 54th Massachusetts Infantry was a regiment of African-American soldiers who fought in the American Civil War. The regiment was made up of soldiers from different parts of the country, including the North and South. This diversity of background and experience is what makes the 54th such a unique and powerful unit.

3. What attitudes did white soldiers have about the 54th? Did these attitudes change and why?

At first, the white soldiers in the 54th were often treated with disrespect and prejudice. However, as they fought together and saw the bravery of the African-American soldiers, their attitudes began to change. This change is what allows the 54th to become a respected and powerful unit.

4. Were blacks treated equally to whites in the Union army? Explain.

No, blacks were not treated equally to whites in the Union army. They were often paid less than white soldiers and were not given the same opportunities for promotion. However, their bravery and sacrifice in battle helped to change the way that the Union army viewed African-Americans.

5. What is significant about Colonel Shaw's decision to refuse to surrender?

Colonel Shaw's decision to refuse to surrender is significant because it shows that he was willing to die for his men and for the cause of freedom. This decision is what makes the 54th such a powerful and respected unit.

6. Did that incident end as you expected? What feelings or thoughts come over you last night?

The incident ended as I expected. I felt a sense of pride and accomplishment in the 54th Massachusetts Infantry. I was proud of the bravery and sacrifice of the African-American soldiers and of the leadership of Colonel Shaw. I was also proud of the white soldiers who fought alongside them and who helped to change the way that the Union army viewed African-Americans.

Marcus,Scott Alan Metzger,Richard J. Paxton,Jeremy D. Stoddard,2010-02-25 Offers a fresh overview of teaching with film to effectively enhance social studies instruction **The Defeated and the Dead** Mark Percy,2024-07-01 How do we teach about war How can social studies teachers empower students to understand how wars are started how they are fought and how they are ended Films about war are featured in nearly all social studies classrooms across the US with practically every American teenager watching at least one historical film during their time in middle and high school Without the mandatory class viewing most of these movies would not have been seen by them otherwise Film is the medium through which most Americans learn about their national past But a passive viewing of a movie about war does little to help students learn to be critical thinkers about their country's choices In The Defeated and the Dead Teaching About War Through Film Dr Mark Percy outlines strategies and resources for teachers to incorporate movies about war into their classes in an effective thoughtful manner Employing elements of the Just War doctrine the basis for most international law

and treaties this book highlights how teachers can make use of widely used films like Saving Private Ryan Platoon and Glory as well as other movies that span our nation's history from the American Revolution to modern conflicts By focusing on critical frameworks like Just War as well as featuring films both about war and the avoidance of war The Defeated and the Dead offers social studies teachers a valuable tool to approach difficult contentious topics in their classrooms
