**A Testimony of Jesus Christ - Volume 2** Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

*Decisions of the Red River Campaign* Michael S. Lang, 2025-02-14 By the time of the Red River Campaign which occurred between March 10 and May 22 1864 Federal victory in the American Civil War was nearly assured This final Union offensive in the trans Mississippi theater was launched to capture Shreveport a strategic river port and Confederate military complex The fall of Shreveport would split Confederate forces allowing the Federals to encircle and destroy the Confederate Army in western Louisiana and southern Arkansas as well as open a gateway to an invasion of Texas But the dense piney woods and swamps of Louisiana made for difficult maneuvering and both sides made severe tactical mistakes leading General William Tecumseh Sherman to declare the Red River Campaign one damn blunder from beginning to end *Decisions of the Red River Campaign* explores the critical decisions made by Confederate and Federal commanders during the campaign and how these decisions shaped its outcome Rather than offering a history of the operation Michael S Lang hones in on a sequence of decisions made by commanders on both sides of the contest to provide a blueprint of the campaign at its tactical core Identifying and exploring the critical decisions in this way allows students of Civil War battles and campaigns to progress from a knowledge of what happened to a mature grasp of why events happened Complete with maps and a driving tour *Decisions of the Red River Campaign* is an indispensable primer and readers looking for a concise introduction to the campaign can tour this sacred ground or read about it at their leisure with key insights into the campaign and a deeper understanding of the Civil War itself *Decisions of the Red River Campaign* is the twenty second in a series of books that explores the critical decisions of major campaigns and battles of the Civil War
