**Learning and Teaching** Dr Sue Duchesne, Dr Anne McMaugh, 2018-10-01 Educational Psychology for Learning and Teaching introduces key theories of development and learning to help you understand how learners learn and how educators can be more effective in their teaching practice. Featuring current research on the various dimensions of learning and teaching alongside traditional theories, it provides a clear framework of theory and evidence that supports modern education practices. Taking a comprehensive approach, this text investigates how to apply psychology principles to education contexts to enhance learning and teaching quality, particularly for accommodating individual student needs. This wholly Australian and New Zealand text caters for those who are planning to work with any age range from early childhood to adolescence and beyond. With a greater focus on resilience in education settings, the discussion of creativity alongside intelligence and a broader discussion on diversity, this new edition is up to date for the pre-service teacher. New print versions of this book come with bonus online study tools on the CourseMate Express and Search Me platforms. Tucker, 2015-05-27 Let technology pave the way to Common Core success. Your transition to the Common Core just got easier. When you start getting creative with technology, you'll turn your classroom into a student-centered learning environment that fosters collaboration, individualizes instruction, and cultivates essential technological literacy. This book is your road map to student success while meeting the Common Core ELA and literacy standards. Features include: Specific recommendations for free apps and tech tools that support the Common Core. Step-by-step guidelines to breaking down a Common Core standard for your grade and subject. Teacher-tested lesson ideas and teaching strategies. Replicable resources including prewriting activities and writing templates. Real-life examples. You don't need to be in a 1:1 school to do amazing things with technology. With just a few devices, you can engage a whole class. Delve into the Common Core ELA standards by having students experiment creatively with the tech tools at hand for a more meaningful and resonant learning experience. The book contains a tremendous collection of actionable ideas that can be seamlessly implemented to make a difference in all aspects of the classroom. A must-own guide that will surely be a teacher's go-to resource to help bring the standards to life. Adam Bellow, Founder of eduTeacher, eduClipper, Plainview, New York. Catlin Tucker provides great ideas for student use of technology tools that cross the curriculum areas and allow the students to showcase their mastery of content. Students will love how the traditional classroom assessments are transformed.
