Interpersonal Communication By Kory Floyd Edition:

Looseleaf Interpersonal Communication with Connect Access Card Kory Floyd, 2015-03-10 Kory Floyd's approach to interpersonal communication stems from his research on the positive impact of communication on our health and well-being. *Interpersonal Communication 2e* demonstrates how effective interpersonal communication can make students' lives better. With careful consideration given to the impact of computer-mediated communication, the program reflects the rapid changes of the modern world in which today's students live and interact. The program also helps students understand and build interpersonal skills and choices for their academic, personal, and professional lives. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective. *Loose Leaf for Interpersonal Communication* Kory Floyd, 2020-01-03 *Interpersonal Communication 4e* helps students to see how communication not only affects their relationships but also influences their health, happiness, and quality of life. It encourages students to go beyond commonsense notions about communication and help them see the value of investigating interpersonal processes both face-to-face and online in a systematic way. *Interpersonal Communication: The Whole Story* Kory Floyd, 2008-11-03 Drawing upon his own highly contemporary research on affection in relationships and on the interplay of communication physiology and health, Kory Floyd has crafted a down-to-earth 21st Century perspective on the complex and nuanced enterprise that is interpersonal communication. To reflect the experiences and expectations of today's multidimensional student population, *Interpersonal Communication: The Whole Story* addresses a broader range of interpersonal communication contexts than any other book of its kind by incorporating dark-side IPC throughout the text and by including deeply diverse populations in its research-based and everyday examples. Floyd describes this as telling The Whole Story if not a more accurate one rather than telling just the part that relates to mainstream populations. Throughout the text, Floyd encourages students to go beyond their intuitive notions about interpersonal communication and helps them see the value in investigating relational processes systematically.

Looseleaf for Interpersonal Communication Kory Floyd, 2012-05-22 Kory Floyd's approach to interpersonal communication stems from his research on the positive impact of communication on our health and well-being. *Interpersonal Communication 2e* demonstrates how effective interpersonal communication can make students' lives better. With careful consideration given to the impact of computer-mediated communication, the program reflects the rapid changes of the modern world in which today's students live and interact. The program also helps students understand and build interpersonal skills and choices for their academic, personal, and professional lives. *Interpersonal Communication* Kory Floyd, 2024 *Interpersonal Communication* supports learners who may be struggling to master or simply wish to review the most important communication concepts. **Interpersonal Communication with Connect Access Card** Kory Floyd, 2015-03-10 Kory Floyd's approach to interpersonal communication stems from his research on the positive impact of
