

The background of the cover features a collection of construction and navigation tools. A white hard hat is positioned at the top, with its chin strap visible. Below it, a wooden handle, likely for a hammer, extends from the left. A circular compass with a black face and white markings is centered on the page. To the right of the compass, a pair of pliers is partially visible. All these items are resting on an old, weathered map that shows various geographical features and lines. The overall composition suggests a focus on practical, field-based work.
