Jack and the Baked Beanstalk

Diary entry

Monday 17th December 2021

Dear diary,

What a strange but amazing few days it has been! Our life has changed for the better, but in ways we could never have imagined possible!

It all started when I was on my way to the shops. The man next to me was looking odd, so I told him about our family and being nervous because of the new system. He offered me some magic baked beans in exchange for a few pennies. Why not? Baked beans are my favourite, so I quickly gave him the money and dashed home.

When I got home, Mum was furious. Angily, she threw the can out of the window and I was sorry to feel without dinner. It wasn't fair!

Early the next morning, I woke up to the strangest thing. The light coming into my room was green, there were magical beanstalks coming through the window, and other baked beans were flying from the end of each stalk. It was a magic beanstalk with treasure at the top. I thought that if I could get to some treasure there would be happy, so I grabbed Bella and began to climb.

When I reached the top, I saw the biggest castle I had ever seen! Quietly, I slipped under the door and saw an enormous giant who was wearing a purple coat and a leather hat. He was sitting behind a huge table covered in coins. I knew I had to escape!
