Letter Of Recommendation For Co Op Board

Calvin Trillin

Letter Of Recommendation For Co Op Board:

The Co-Op Bible Sylvia Shapiro, 1998-10-15 The author knows about what she speaks She is a lawyer and president of her Manhattan co op building She had no prior knowledge of co op and condo conversion before her residence went that way and she had to learn and learn fast Now she shares the expertise she s accrued and she presents it in a well ordered format Guiding readers into a co op or condo situation and ensuring their future of comfortable and productive living are the purposes of Shapiro s handbook and to that end she supplies a complete codification of all the rules and necessary procedures Dealing with the board is of course the major concern of a co op or condo owner and Shapiro is encouraging and explicit as she draws up the appropriate behavior to guarantee a successful board relationship A book for all public libraries Brad Hooper 368p

Quite Enough of Calvin Trillin Calvin Trillin, 2012-12-04 Brilliant The dean of American comic writers showcases his varied talents mocking the public and private lives of politicians average citizens and himself The Star Ledger Calvin Trillin has committed blatant acts of funniness all over the place in The New Yorker in one man off Broadway shows in his deadline poetry for The Nation in comic novels and in what USA Today called simply the funniest regular column in journalism Now Trillin selects the best of his funny stuff and organizes it into topics like high finance My long term investment strategy has been criticized as being entirely too dependent on Publishers Clearing House sweepstakes and the literary life The average shelf life of a book is somewhere between milk and yogurt He addresses the horrors of witnessing a voodoo economics ceremony and the mystery of how his mother managed for thirty years to feed her family nothing but leftovers We have a team of anthropologists in there now looking for the original meal He even skewers deserving political figures in poetry In this the definitive collection of his humor Calvin Trillin is prescient insightful and invariably hilarious A literary treasure There is only one Calvin Trillin and if he didn t exist we would have to invent him The Washington Times Funny is to Trillin what drinking is to Uncle Jed in Annie Get Your Gun it s what he does naturally He s also a lot more than funny Quite Enough of Calvin Trillin is the twenty eighth book he s published over not far short of a half century and their range of subjects is remarkable Jonathan Yardley The Washington Post Trillin made his reputation over four decades as the author of U S Journal in the New Yorker but he is incapable of resisting the temptation of comedy The jokes kept on welling up and Mr Trillin made a parallel reputation as a writer of funny stuff The Economist Wry whip smart understated and entertaining The Miami Herald

Fear City Kim Phillips-Fein, 2017-04-18 PULITZER PRIZE FINALIST An epic riveting history of New York City on the edge of disaster and an anatomy of the austerity politics that continue to shape the world today When the news broke in 1975 that New York City was on the brink of fiscal collapse few believed it was possible How could the country s largest metropolis fail How could the capital of the financial world go bankrupt Yet the city was indeed billions of dollars in the red with no way to pay back its debts Bankers and politicians alike seized upon the situation as evidence that social liberalism which New York famously exemplified was unworkable The city had to slash services freeze

wages and fire thousands of workers they insisted or financial apocalypse would ensue In this vivid account historian Kim Phillips Fein tells the remarkable story of the crisis that engulfed the city With unions and ordinary citizens refusing to accept retrenchment the budget crunch became a struggle over the soul of New York pitting fundamentally opposing visions of the city against each other Drawing on never before used archival sources and interviews with key players in the crisis Fear City shows how the brush with bankruptcy permanently transformed New York and reshaped ideas about government across America At once a sweeping history of some of the most tumultuous times in New York's past a gripping narrative of last minute machinations and backroom deals and an origin story of the politics of austerity Fear City is essential reading for anyone seeking to understand the resurgent fiscal conservatism of today *Two Dollar Bill* Stuart Woods, 2005-10-04 In this thriller in the 1 New York Times bestselling series Manhattan cop turned lawyer Stone Barrington is back on his home turf caught between a filthy rich conman and a beautiful prosecutor Not long after Stone and his ex partner Dino make the acquaintance of Billy Bob a smooth talkin Texan packing a wad of rare two dollar bills someone takes a shot at them Against his better judgment Stone offers Billy Bob a safe haven for the night but almost immediately regrets it The slippery out of townner has gone missing and someone has been found dead in Stone's town house no less Now Stone is now stuck between a stunning federal prosecutor and a love from his past a con man with more aliases than hairs on his head and a murder investigation that could ruin them all *They Told Me Not to Take that Job* Reynold Levy, 2015-05-12 When Reynold Levy became the new president of Lincoln Center in 2002 New York Magazine described the situation he walked in to as a community in deep distress riven by conflict Ideas for the redevelopment of Lincoln Center's artistic facilities and public spaces required spending more than 1.2 billion but there was no clear pathway for how to raise that kind of unprecedented sum The individual resident organizations that were the key constituents of Lincoln Center the Metropolitan Opera the New York City Opera the New York Philharmonic the Juilliard School and eight others could not agree on a common capital plan or fundraising course of action Instead intramural rivalries and disputes filled the vacuum Besides some of those organizations had daunting problems of their own Levy tells the inside story of the demise of the New York City Opera the Metropolitan Opera's need to use as collateral its iconic Chagall tapestries in the face of mounting operating losses and the New York Philharmonic's dalliance with Carnegie Hall Yet despite these and other challenges Levy and the extraordinary civic leaders at his side were able to shape a consensus for the physical modernization of the sixteen acre campus and raise the money necessary to maintain Lincoln Center as the country's most vibrant performing arts destination By the time he left Lincoln Center had prepared itself fully for the next generation of artists and audiences *They Told Me Not to Take That Job* is more than a memoir of life at the heart of one of the world's most prominent cultural institutions It is also a case study of leadership and management in action How Levy and his colleagues triumphantly steered Lincoln Center through perhaps the most tumultuous decade of its history to a startling transformation is fully captured in his riveting account *New York*
