

Orthopedic Residency Letter of Recommendation

To the Dean of Admissions,

It is my pleasure to write this letter of recommendation to support a very talented medical student, Mr. Barnes Goodman, for a Residency in Orthopedic Surgery at Minneapolis University Medical Center. I have had the pleasure of observing Mr. Goodman in several of his classes, and have worked closely with him as his advisor as well as small group leader. Mr. Goodman has displayed a leadership and decision-making ability that set him apart from other students from the time he entered medical school. I have full confidence that he will continue to succeed in both the clinical and research aspects of the program at Minneapolis University.

I first met Mr. Goodman during the Adult Trauma course required of all first year medical students. He not only scored a perfect score on the exam, he was able to come up with extremely thoughtful questions demonstrating a thorough understanding, interest, and self-driven study throughout the course. Upon speaking with several of his direct supervisors during his rotations, I realized that virtually every clinician had the same opinion of Mr. Goodman – that he was a highly capable and talented individual with excellent and dexterous skills in the operating room.

As a person, Mr. Goodman is a very upbeat and cheerful individual. His bedside manner with patients is highly professional, and he is able to establish rapport quickly with both patients and clients. His attention to detail truly came through his patient notes, in which he meticulously documented pre-existing conditions and his conclusions. I believe that these skills, in addition to his impressive academic performance, make him an excellent candidate for an orthopedic surgery residency at your esteemed institution.

Thank you for your time and consideration, and please do not hesitate to contact me with any additional questions or concerns you may have.

Sincerely,
Dr. Barry White, MD PhD
Professor of Geriatrics
Bard University Medical College
