

Key settings for **SUNSETS**

It's hard to resist the colours at sunset, but watch your exposure to make the most of them. Exposing for the sky gives you the best colours, but the foreground will become very dark. Use an ND grad filter to balance the exposure.

Exposure mode	Manual
Focus mode	Manual
Shutter speed	1/30 sec or longer
Aperture	f/16
ISO	100 or lower
Lens	18-24mm
Drive mode	Single-shot
White balance	Daylight

TOP TIP If you don't have a neutral-density grad filter, shoot twice – once exposed for the sky and another for the land. Combine them in Photoshop.

Manual Digital Camera Settings Canon Mark

Julia Schneider

Manual Digital Camera Settings Canon Mark:

If you ally craving such a referred **Manual Digital Camera Settings Canon Mark** books that will allow you worth, acquire the entirely best seller from us currently from several preferred authors. If you desire to hilarious books, lots of novels, tale, jokes, and more fictions collections are in addition to launched, from best seller to one of the most current released.
