These figures are provided to assist you in comparing the fuel consumption of Laser with other vehicles designed to run on unleaded petrol. As at request of 10/10/81 the fuel consumption figures have been derived by using the selected procedure. The actual fuel consumption you achieve will depend, however, on many factors including your driving style, the prevailing conditions and your vehicle's equipment, condition and use. These figures were derived using a standard test procedure for passenger vehicles which operates on unleaded petrol, and which are designed to comply with Australian standard 20.

Optional equipment at extra cost.
Excludes all accessories.
