Refrigeration Engineering ,1954 English abstracts from Kholodil naia tekhnika A Grammar of Kuuk Thaayorre
Alice R. Gaby,2017-11-07 This grammar offers a comprehensive description of Kuuk Thaayorre a Paman language spoken on the west coast of Cape York Peninsula Australia The Paman languages of Cape York have long been recognized for their exhibition of considerable phonological semantic and morphosyntactic change e g Hale 1964 Dixon 1980 Yet there has until now been no published full reference grammar of a language from this area some excellent dictionaries theses and sketch grammars notwithstanding e g Hall 1972 Alpher 1973 1991 Crowley 1983 Kilham et al 1986 Sutton 1995 Smith Johnson 2000 On the basis of elicited data narrative and semi spontaneous conversation recorded between 2002 and 2008 as well as archival materials this grammar details the phonetics and phonology morphosyntax lexical and constructional semantics and pragmatics of one of the few indigenous Australian languages still used as a primary means of communication Kuuk Thaayorre possesses features of typological interest at each of these levels **The Ik language** Terrill B. Schrock,2017-03-13 This book is a dictionary and grammar sketch of Ik one of the three Kuliak languages spoken in the beautiful Karamoja region of northeastern Uganda It is the lexicographic sequel to textit A grammar of Ik Ice to d Northeast Uganda s last thriving Kuliak language Schrock 2014 The present volume includes an Ik English dictionary with roughly 8 700 entries followed by a reversed English Ik index These two main sections are then supplemented with an outline of Ik grammar that is comprehensive in its coverage of topics and written in a simple style using standard linguistic terminology in a way that is accessible to interested non linguists as well This book may prove useful for language preservation and development among the Ik people as a reference tool for non Ik learners of the language and as a source of data not only for the comparative study of Kuliak but also the wider Afroasiatic and Nilo Saharan language families **Bali: The Ultimate Guide to the World's Most Famous Tropical** Tim Hannigan,Linda Turnbull,2013-02-12 The only guide you ll need for getting around Bali Everything you need is in this one convenient travel guide including a large pull out map This updated and revised edition of the bestselling Tuttle guide to Bali gives the latest information on what to do and see on this spectacular tropical Indonesian island Bali is one of the few places in the world where an ancient civilization still thrives in the modern world And the island has so much to offer ancient temples elaborate ritual celebrations spellbinding music and dances exquisite art and crafts gorgeous beaches bustling markets delicious food and much more Bali The Ultimate Guide to the World s Most Famous Island is the most complete guide to Bali ever published Lively articles by world renowned experts present every aspect of the island s history and culture along with detailed descriptions of all the sights with maps and photos included An informative travel reference section at the end of the book gives important travel and etiquette tips transportation notes a language primer and a glossary **Proto-Australian** Mark Harvey,Robert Mailhammer,2024-08-19 This book is the first full evaluation of the Proto Australian hypothesis which proposes that most Australian languages have a

common ancestor Proto Australian PA Using the standard methodologies of historical linguistics the authors show that nearly all Australian languages descend from PA Given that PA was a single language it was spoken only in a small area of Australia Its descendants have spread across the continent Current theories of language spread do not offer clear motivations for large scale spread in hunter gatherer economies This raises significant questions for analyses of Australian prehistory and archaeology specifically and more widely for general theories of hunter gatherer prehistory and language spread

Southeast Asia Transformed Chia Lin Sien, 2003 Southeast Asia with a total population of 520 million remains a region characterized by fragmentation diversity and considerable internal conflict despite the unifying influence of the Association of Southeast Asian Nations ASEAN formed some thirty five years ago In the new millennium it has lost the distinction of being one of the world s faster growing group of economies since the 1997 financial crisis While it has benefited from the winds of globalization it has now to cope with the painful adjustments to problems that stem from the inadequacies of good governance and structural changes This volume brings together the combined insights of specialists who have worked and lived in the region The theme of the book is change and transformation The authors identify the trends and forces that propel the region along and then bring in discussions on key issues In some cases they offer their views on the future of the region and recommendations for solutions The intention of the book is to offer a scholarly review of the region s development over the past half century and to provide a firm basis for forecasting its further evolution in the new millennium **Possession and Ownership** Alexandra Y. Aikhenvald, R. M. W. Dixon, 2012-12-06 Possession and Ownership brings together linguists and anthropologists in a series of cross linguistic explorations of expressions used to denote possession and ownership concepts central to most if not all the varied cultures and ideologies of humankind Possessive noun phrases can be broadly divided into three categories ownership of property whole part relations such as body and plant parts and blood and affinal kinship relations As Professor Aikhenvald shows in her extensive opening essay the same possessive noun or pronoun phrase is used in English and in many other Indo European languages to express possession of all three kinds as in Ann and her husband Henry live in the castle Henry s father built with his own hands but that this is by no means the case in all languages In some for example the grammar expresses the inalienability of consanguineal kinship and sometimes also of treasured or sacred objects Furthermore the degree to which possession and ownership are conceived as the same when possession is 100% of the law differs from one society to another and this may be reflected in their linguistic expression Like others in the series this pioneering book will be welcomed equally by linguists and anthropologists *Routledge Handbook of Urban Indonesia* Sonia Roitman, Deden Rukmana, 2022-10-18 This handbook focuses on the practices initiatives and innovations of urban planning in response to the rapid urbanisation in Indonesian cities The book provides rigorous evidence of planning
