GLOBAL BUSINESS TODAY. CHARLES. HILL, 2024

Globalizing Cultures, 2015-11-09 With the crisis of the global capitalist economy, the topic of global culture is regaining its importance and needs to be revisited from both theoretical and practical standpoints. How do we make sense of this rapid flow of global consumer culture across national borders? What is the role of corporations, governments, NGOs and social movements in shaping the terms of these flows? How do these flows of money, people, culture, goods and services work in practice? How do these flows affect the lives of the majority of regular people consuming and producing in the global marketplace? Taking an interdisciplinary approach, this volume examines the way cultures and individuals oppose, resist and re-center globalization. Contributors are Gwen I. Alexis, Andrea Borghini, Cory Blad, Jack Bratich, Enrico Campo, Rekha Datta, Ricardo A. Dello Buono, Peter Kivisto, Vincenzo Mele, Mihaela Moscaliuc, Nancy Naples, Ino Rossi.

Management and Resilience of African Organizations in Times of Crisis Shani D. Carter, Sara Bensal, 2024-05-16

Businesses in African countries continued to face crises due to COVID 19 supply chain and climate change. Governments can take steps to increase businesses resilience by supporting and promoting sustainable development. In turn businesses can increase their resilience by promoting the resilience of their employees. This book explores the current state of management and resilience in African nations and discusses issues that revolve around its reciprocal impact on global business, government and society. Featuring select papers from the 4th Annual Current Business Issue in African Countries CBIAC Conference held in Agadir, Morocco in 2023, this book focuses on the synergies between climate change, supply chain and sustainable development, particularly post pandemic, featuring content from business and NGO leaders, faculty and students. The impetus of the CBIAC conference was the discussions held at the United Nations Conference on Trade and Development UNCTAD held in Nairobi, Kenya in July 2016 and in Bridgetown, Barbados and Geneva in October. The goal of the conference is to create long term collaborative relationships between business leaders, faculty, researchers, students and community members from different African nations.
